(1). Verified from the Audit Register of this Office and found correct.

(2). The applicant's service were dispensed with in the general reduction of Public Works Establisment.

(3). The gratuity admissible to the applicant in lieu of notice, has been included by the Superintendent Engineer in the amount of gratuity admissible under Section 68(a) of the Civil Service Code, but as it has been decided in Government Order Financial Department No. 1075 dated 1st April 1880, that the former is debitable to the Department in which the applicant was last employed (Public Works Department in the present case), the Superintendent Engineer has been requested to take the necessary steps for its payment and adjustment by this Department.

(4). As the entire period of the applicant's service has been verified from the records of this Office, the specific report and opinion of the Head of Office prescribed in the amended Rules to Section 84 of the Civil Service Code, was considered unnecessary and has not therefore been obtained.
