called for them from the Tahsildar on 17th June 1880. This regarding Vencatasamy was supplied on 22nd June, but as the other did not arrive I waited for some time with the view of forwarding both the applications if possible at the same time, and afterwards on 20th July 1880 submitted the application on behalf of Vencatasamy, with Letter No. 295 to you, and called on the Tahsildar to hasten the submission of the requisite information about Syed Imam. Under date the 31st July the Tahsildar replied that he could not find the requisite order in his records. As it is a paper of 1843 some little time was necessary to look^{up} the records before he could say that the paper was not forthcoming.

Read the following:—

Arzi No. 230 dated 21st June 1867

" No. 258 " 4th July "

" No. 280 " 16th July .

It appears that the Talug peon Venkata-
sami Naidu lost 8 letters given to him for
delivery from the Talug post. His explanation
is unsatisfactory. The peon is suspended
for one year, this being the result of his
carelessness. He should be ordered to find
out the letters by some means or other,
if he produces them a report should
be made on the subject. During the
period of his suspension a suitable man
should be entertained and his name
reported.

Sir,

With reference to your Docket No. 227 dated 4th Instant, I have the honor to inform you that though the applicant Kanthan, the Peon of Police Salug, was declared by the Civil Surgeon of Vellore on the 1st June last as unfit for further service, further reference had to be made to the Tahsildar to fill up all his services in the Register which was found to be incomplete when first submitted.

* again one reminder
had been sent on the
12th 8-80
The order was sent to him on the 28th June last but he returned the Service Book complete only with his arge No. 342 dated 11th August 1880. Hence the delay in submitting the Pension application and other records to the Collector.

Letter to the Collector

2. The Peon has requested in his pension application to retain him in the service till the receipt of the Government sanction.

But as I find it objectionable to do so.
(See 83 of the Civil Pension Code) I have issued
orders to dispense with his service at once from
the 16th Instant to enable You to prepare the regular
application for submission to Government.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. — *See below.*

2. Explanation of any suspension or degradation. — *The Applicant was under suspension for 4 months from 24 January to 23 May 1877 for not having paid into the Salary Treasury the sum obtained by the working of the Salary for coffee, coins required for payment to Relief Station as per despatches of 1880 and the Collector's order of 1873 dated 23 September 1880 and the Collector's order of 1880.*

3. Regarding any gratuity or pension already received by Applicant. — *See Chapter XX.*

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it. — *Act.*

5. Any other remarks.

The Service Book and Last Pay Certificate of the Applicant are herewith sent. The Applicant was released in Service from 13 June 1880, the date of present certificate to 15 September 1880, under Rule 1, Section 47, of the Manual. Although the present certificate is dated the 15 June 1880, the Service Register and other Record in connection with this application were received in this Office only on the 26 August 1880 and the cause of the delay up to that date is explained in the letter from the General Duty Reg. Collection No 85 dated 18 September 1880, copy of which is enclosed. The delay since the 26 August 1880 was unavoidable as the Service of the Applicant had to be verified from the Higher Record and reference to the Salary.

6. Specific opinion of Head of Office whether the Service should be continued or not. — *The Service of the Applicant as detached above have been only substituted and the Collector recommends that the Service may be admitted for the duration of the present term.*

The Service book and Last Pay Certificate of the applicant are sent herewith. This is a case in which the applicant's service had not been verified before he actually retired. There occurred a delay of 2 1/2 months in the Spoke Office which is imputed to have been due to the old Quarter Records having had to be searched and looked into. The Service Register on when received in the Division Office on 13 September 1880 was found to be defective and was therefore forwarded to Treasury Deputy Collector for verification. The delay in the transmission of this application is explained in para 3 & 4 of the Genl. Charge Report later No. 39 dated 19th Instant (extract forwarded with no. 107 of 22.5.1863). The Service claimed has been established by record and should be admitted. CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (subject to the remarks hereinafter mentioned) qualifying service in {inferior} grades has been duly proved for 11th years and 17th months; and that a {pension} not exceeding Rs. 300 per month is admissible under Section 12 of the Civil Pension Code. The calculations have been duly verified. This is observed from the circumstances which caused the suspension for 3 months that the character and past conduct of the applicant in great measure are satisfactory. It is not, therefore, with good reason that such a deduction in the amount of pension that may be sanctioned to him as a way down proper with reference to the 61st Section 22 of the Act. This objection to the submission of this application is explained by the Collector in his letter No. 39 dated 19th April 1860 in extract from which is attached to the case of a Benhalaswar in a form of the same date.
