RAMA RAY LATE CLERK TRICHINOPOLY
FORWARDS PENSION PAPERS ON FOR ORDERS

N^o 929 J. 6. Sup^r Engrs Office 5th Circle
Dindigul 8th February 1880

From The Sup^r Engineer
5th Circle

To The Examiner of
P. & Accounts

Sir, In retransmitting the
pension application and service
Book of Clerk Rama Ray returned
with your letter N^o 475 of the 24th December 1879,
I have the honor to offer the following
explanation.

A Rama Ray's services
from 28th October 1841 to 28th February
1857 have been verified from the
records of the Collector of Trichinopoly
and that the above services were
rendered on the permanent Establish-
ment qualifying for Pension. Service
as Nathuram from 28th October to
15th November 1841 does not qualify. His
services

Services from 1st March to 30th June 1857 have been verified from the records of the Late District Engineer's Office, Trichinopoly, and those from July to August 1857 cannot be verified, as the Pay Abstract Book for the period is not forthcoming.

(13) The applicant's services from 1st September 1857 to 30th April 1858 cannot be verified owing to the absence of the Pay Abstract Book as above stated.

His services from 1st May to 30th June 1858 have been duly verified. From 1st July 1858 to 21st June 1859, Panna Pann's services cannot be verified from the Pay Abstracts owing to the omission in them of the names of incumbents. But in the half-yearly returns of Officers and subordinates employed in the Trichinopoly District forwarded to the Chief Engineer for the half years ended 30th June 1858-31st December 1858, and 30th June 1859, Panna Pann's name appears regularly, as overseer. Mr Martin's Gymraash and the date of his appointment to this Department is entered as January 1857, thus it is clear that the applicant was continuously employed from 1st January 1857 to 21st June 1859,

(16) The necessary corrections have

have been made in the Service Book and Pension application.

2 The last pay certificate of the applicant, prescribed in section 85 of the Civil Pension Code is also herewith forwarded.

In forwarding herewith a
copy of the certified reports of the Civil
Paymaster on the application for gratuity
on behalf of Gumnasta Parmanow called
for in your letter No. 20 P dated 11th April

of payments of gratuities for the year
referred to in the above reports, is not
traceable among the records, and it is
therefore impossible for this office to state
precisely whether the gratuity was paid to
Parmanow or not. I would however
suggest that a reference be made to the

which he was employed in October 1863.

Pama Row was for many years Head gunastah in the District Engineer's Office. He is a very good accountant and a hard working good gunastah. On the reorganization of the Dept. his services were dispensed with in consequence of his not having been well acquainted with English, as the office establishment allowed to the Range was too limited to allow of the entertainment of any person who did not possess a good knowledge of that Language. a very accurate accountant and keeps
himself well up in past transactions

English though moderate is suffi-
cient to be use in copying.

Kama Row has been in charge of
 orders in the 2 Range for the
 last two years and eight months.
 He has during that time given
 me no cause to find fault with
 him. I found him to be both brain
 taking and hardworking and a most
 useful assistant. He writes a bad
 hand and his knowledge of English
 is not good. Though it is quite
 sufficient to carry him through
 his work. He thoroughly understands
 the present system of accounts
 and on this point his introduction
 was obliged to do all the accounts
 himself; the head account and
 of the Range at that time being
 perfectly incorruptible. He goes
 on promotion to the 1 Range and I
 have not the least doubt that
 he will prove to be a most
 valuable acquisition to that
 Range.
