3rd Accountant in this Range and has been so during the eleven months I have been in charge of the Range. he has discharged the duties of his station with diligence, care, and anxiety. the last most observable, which he should endeavour to repress, & gain more assurance in well doing, for it is likely to impress a casual observer as produced from fear & consciousness of guilt of some sort of which he is in constant fear & dread of being found out. I believe it is ~~myself~~ simply nervousness & timidity: but it is with a wish for his own good that I point this out so that he may not produce an unfavorable or erroneous impression on those he may hereafter serve under. He is good & well meaning but would do with a little more self reliance & assurance. not false but real. I say this for his good only.

To

The Superintending Engineer
8th Division

Sir,

I beg to bring the following circumstances & trust that my proceedings in the case will be approved of by you. Two months ago certain important official documents were brought to me by my Dy Accountant Shoottoolingum Pillay for orders as my Head Accountant was at the time on leave & from whom I require information (which his Dy could not give me) before disposing of them. I requested Mr Pillay to bring them up again on the return to duty of the Hd Accountant, this he neglected to do until two days ago.

I have fined Shoottoolingum on several occasions for carelessness & neglect of duty, but this punishment appears to have had no beneficial effect on him. It was through his carelessness that the documents connected with the road between Vandygoor & Thiroorkboor were mislaid the subject of which has been a cause of much annoyance to me Vide my letter No 324 dated 20th July/72

&

Supdt. Correspondence Branch

& I have therefore in anticipation of your sanction suspended Moottoolingum from duty & salary for a Period of Six months.

I would solicit your sanction towards the Dy Accountant of the Sheragungah Sub Dn being transferred to the Range Office Vice Moottoolingum & if you can let me have a man to go to the Sub Division I shall be much oblige. The salary of the Sub Division Dy Accountant is good & I have no doubt you have some well qualified individuals in your office for the post. Requesting to be favor with an early reply.

Not verified from the audit Registers of this office owing to the omission therefrom of the names of members of the Inferior Establishment or from the records in the Divisional office (with the exception of the periods from April to September 1873 and from November 1873 to March 1874 which have been verified) owing to the necessary records not being forthcoming An affidavit with statements of three contemporary servants has however been obtained and is herewith forwarded. The period has been classed as qualifying on the strength of the opinion of the Superintending Engineer that the service has been established and should be admitted as recorded against entry 6 on the 5th page of the Gratuity application and also in his letter No 746 T. N dated 21st August 1880 (copy herewith) The date from which service begins to count is taken to be May 1868 as stated in his affidavit and not from the early part of 1869 as noted in the gratuity application.
