G.O. No. 103

Press / Mis.

Dated 8-2- 1881.

**_Not to be folded or roughly handled_**

Copy of letter from the Executive Engineer North Arcot to the Supdt. Engineer 2d Circle No. 561 dated Vellore 7th May 1880.

With reference to letter No. 616 of 16th October 1879, from the Examiner of P. W. Accounts, communicated with memo No. 6213 of 2d. Idem, from the late Supdt. Engineer 3d Circle, I have the honor to inform you that on verifying the services of late Clerk Alwar Mudaliar I find that there existed certain inaccuracies in the Pension Application therewith returned which had possibly arisen in consequence of the service Register from which it was prepared, having been kept up incorrectly. I have therefore prepared a revised application which is herewith forwarded.

(2) The entries in the History of Services have all been verified with the following exceptions

(1) 1st to 31st May 1858
(2) 1st March to 30th April 1861.

There is, however no doubt, that the applicant was in employ during the above periods, for this is obvious from the certificate herein enclosed and from the documents re copied in Books in this Office in the applicants own hand-writing and if necessary, the Examiner of P. W. Accounts will be able to verify the period from the Audit Registers in his Office

Para 2 of the Examiner's letter has been attended to.

A Last Pay Certificate of the Applicant is also herewith sent.

Copy of letter from the Executive Engineer North Arcot Division to the Supdt. Engineer 2nd Circle, No. 2939 dated Vellore 11th November 1880.

In continuation of my letter No. 2811 of 26th October 1880, I have the honor to resubmit the Pension Papers of A. Alwar Mudaliar late Clerk in the Chittoor Division and to furnish information as follows, on the several points contained in the Examiner's letter communicated in original with your Endorsement No. $\frac{1105}{N.A}$ of 14th June 1880.

2. The applicant's services from 1st to 31st May 1858 have been verified from the records of the late Pallicondah Range; but for the period from 1st March to 30th April 1861 inclusive I enclose an affidavit from the applicant together with collateral evidence from 2 of his contemporaries, as required under rule 5 Section 84 of the Civil Pension Code and I am of opinion that this period can be admitted.

3. The applicant states that on the transfer of the overseer to the Chingleput Division, he was thrown out of employ there having been no room for him. There are no documents either in possession of the applicant or in the records of this Office bearing on the subject.

4. No gratuity was sanctioned for the applicant on the occasion of his discharge from service on the 1st April 1860.

5. The necessary corrections pointed out in para 4 of the Examiner's letter have been made in the service book and the application for Pension.

6. No deputation allowance for the period from

from 11th April to 10th July 1870, was drawn by the Applicant, although such has been verified from the book in the Examiner's Office. The Applicant states, that it is true that he acted for the Head Accountant during the period mentioned, and that acting allowance was also passed, but it was not disbursed to him having been deposited and paid to the permanent incumbent on his return from leave: this fact is confirmed by the Chittoor Range Cash Book for the year 1870, and the Chittoor Range Office supplemental Salary Bill for April to July 1870 dated 5th September 1870 and passed by the Examiner on the 12th Idem

True Copy forwarded to the Examiner of P.W. Accounts with reference to his letter No. 2075 E.I. dated 11th June 1880.

From the entries in the Service Book and the papers accompanying the application the undersigned is of opinion that the period of service shown in the documents has been established and it should be admitted.

Certified that I have carefully examined Arcot Alwar Moodellyair son of Arcot Soobrayah Moodellyair a Clerk D. P. W. Chittoor Division in the District of North Arcot. His age is, by his own statement 45 years and by appearance, about 55 years I consider Arcot Alwar Moodellyair to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of Obesity, weak Heart, and defective vision

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

The entry "Works very unsatisfactorily" in the 2d page of Applicant's Service Register, appears to have been made some time back by the Officer, under whom he served, but my predecessor who signed the application for pension last sent in, has, I learn, made certain enquiries as to the Character of the man and entered in the 3d page of the application 'appears good'. No corresponding entry has been made in the Service book, hence the difference.

Verified from the Audit Registers of this office and found correct

The Applicant is erroneously shown in the gratuity application and service book to have been absent without leave on the 5th December 1879. The absence was only an overstay of sick leave, and as the Applicant was permitted to resume his duties on the next date it is not regarded as an interruption of Service with reference to Section 55 Civil Pension Code.

The Applicant's services were dispensed with on the 31st January 1880 afternoon owing to general reduction of Establishments in the Public Works Department.

The Service book accompanies the gratuity Application.
