Sir.

Now that I have been pronounced unfit for further service by a Medical Board I most respectfully beg to be allowed to request you will recommend me for a gratuity instead of a pension for the following reasons:-

(1). In November 1876 I was compelled to send away to Kamptee 2 of my daughters (the eldest) to enable them to settle themselves in life as this place affords no chances of young women bettering their circumstances in life. The elder of the two was married in 1877 & the younger in 1879 in Jubbulpore & Bombay respectively. To enable them to live there & to keep up an establishment for my family here during the famine of 77-78 I was obliged to mortgage my house, the principal on which I have been unable to clear.

(2). I have two more daughters to send up to Kamptee & this will put me to some further expenses, and unless I obtain a gratuity I will have to sell my house which I consider will be a help to my family when I have closed my eyes.

I beg most respectfully you will give all these circumstances your kindest consideration and recommend me for the gratuity I crave, for which act of benevolence I shall ever feel extremely grateful

With due respect
I beg to remain Sir
Yr most obedient Servant

Sir,

I beg to forward in original a letter from Mr. Aubry with reference to a question asked by the Accountant General's Department and to request that you will be so good as to lay the matter before the Government as it seems to me to be monstrous that after a lapse of nearly 25 years a charge for retrenchment of this dept should be made. If anyone is to blame it is surely the Department who 24 years ago failed to see what the Accountant General's Department has now discovered.

2. The application for pension of Mr. Aubry together with the required papers are herewith forwarded.

Sir.

With reference to para 2 of the Acctt. General's No. $\frac{I.A.E.}{404}$ d/ 15th Nov: 1880 I beg to offer the following Explanation.

When permitted to transfer my services from the Judge Advocate General's to the Telegraph Department in February 1855, the late Col: McQueen the then Jud: Adv: General of the Army in consideration of the very satisfactory manner in which I had worked in the Department and altho' for only 14 days in that month, yet, unsolicited by me, was

pleased

pleased to give me the full months pay, at the recommendation of the then Manager, as a reward for my good service.

Whether this over paid sum from the 15th to 28th February in that year was, under instructions from the Mily: Deptt; subsequently retrenched from my pay in the Tel: Deptt: I cannot now, after the lapse of over 24 years, positively speak to, but trust, that it was paid to me because I was then deemed fully deserving of it, You will kindly address Government on the subject, so that it may be pleased to order that the retrenchment may not be made by the Accountt General from my Pension at this remote period. I remain,

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ superior} grades has been duly proved for 30 years 4 months and 23 days; and that subject to the remarks below recorded a Retiring {pension ~~gratuity~~} not exceeding Rs. 100 per mensem equal to ½ average emoluments is admissible under Sections 66, 68, 70 & 71 of the Civil Pension Code (The calculations have been duly verified.)

The Inspector General of Police in his letter No. 8267 dated the 7th December 1880 recommends that the applicant should be granted a Compensation Pension as his removal from the service is due to the reorganization of the Establishment of the Commissioner of Police sanctioned in G. O. No. 2410 dated the 7th October 1880.

But as the reorganization resulted in a saving to Government of Rs 5-4-- only, this office is of opinion that the condition prescribed in rule 6 section 59 of the Civil Pension Code has not been fulfilled, and that a Compensation Pension cannot be granted.

The applicant is entitled to a Retiring pension under section 66.

From the communications received from the Controller of Military accounts and the Superintendent of Government Telegraphs, the applicant appears to have drawn pay both in the Judge Advocate Generals Office and in the Telegraph Department for one and the same period from 15th to 28 February 1855. With reference to the explanation furnished by the applicant himself and the recommendation of the Commissioner of Police in his letter No. 1054 dated the 1st December 1880 accompanying, it rests with Government to decide whether or not the overpayment should be recovered from the arrears of any Pension that may be sanctioned to the applicant by Government.

In accordance with Rule 3 A, under section 87, the attention of Government is respectfully solicited to Section 22 of the Code.
