PENSION DEPARTMENT.

Read—again G.O., dated 26th July 1881, No. 652, Pension.

Read—also the following papers:—

From Colonel R. A. MOORE, Officiating Commissary-General, to the Under Secretary to Government, Pension department (through the Controller of Military Accounts), dated Madras, 24th August 1881, No. 4503.

With reference to the order of Government, No. 652, dated 26th July 1881, I have the honor to forward a letter, No. 1908, dated 13th August 1881, from the Executive Commissariat officer, Wellington, and request that you will, under the circumstances therein represented, be good enough to alter the date from which pension is to be drawn by T. Arnachellum Pillay, late hospital purveyor, Palamcottah, from 1st January 1881 to 1st September 1881.

Enclosure.

From Captain A. MARK KENNEDY, Executive Commissariat officer, Wellington, to the Commissary-General, Madras, dated Wellington, 13th August 1881, No. 1908.

With reference to order of Government, No. 652, of 26th July, granting T. Arnachellum Pillay, hospital purveyor at Palamcottah, pension from the 1st January 1881, received to-day, I have the honor to inform you that this man has performed the duties up to date and is still doing so and drawn the pay, and therefore to request instructions as to whether date of pension can be postdated to, say, 1st September, to allow of his being relieved, &c., or what steps are to be taken.

2. With regard to this vacancy I would beg to invite your attention to my letter No. 1665, dated 4th instant, asking if the post could be conferred on T. Moorgasem Pillay, late European hospital purveyor at Trichinopoly, whose post was abolished owing to the withdrawal of the European troops from that station, and who has long service though not sufficient to entitle him to pension. He is residing at Trichinopoly and therefore within a comparatively short distance of Palamcottah.

With reference to the enclosed letter from the Commissary-General, dated 24th August 1881, No. 4503, the Accountant-General is requested to be good enough to state whether there is any objection to the request contained therein being acceded to.

Fort St. George,
27th September 1881.

To the Accountant-General, with two enclosures and seven papers connected with the original grant of the pension (to be returned).

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Under Secretary to Government, Pension department, dated Fort St. George, 5th October 1881, No. I.A.E.-324.

With reference to your memorandum, No. 82, dated the 27th September 1881, I have the honor to state that, under the concluding part of rule 1, section 126 of the Civil Pension Code, and under section 135, a regular application for pension on behalf of an officer should not be submitted before the officer has actually retired from the service. The infraction of the rules in the present case has involved the retention of an officer in the public service for a period of eight months after he had been officially declared to be inefficient, owing to age. Should Government, however, be pleased to overlook the infraction of rule, there would seem to be no objection to the date of commencement of the applicant's pension being now altered from 1st January 1881 to 1st September 1881, as proposed by the Commissary-General, Madras. In that case the pensioner's service will have to be raised from 25 years 6 months and 22 days to 26 years 2 months and 22 days. Otherwise the grant of the superannuation pension should be regarded as having commenced from 1st January 1881, and the pensioner's re-employment after that date would be opposed to the provisions of section 179 of the Civil Pension Code.

2. The enclosures to the memorandum under reply are herewith returned.

ORDER—dated 18th October 1881, No. 1075, Pension.

Under the circumstances represented in the letter from the Executive Commissariat officer, Wellington, submitted by the Commissary-General the Governor in Council directs that the pension of Rs. 10-8-0 granted to T. Arnachellum Pillay, late hospital purveyor, Palamcottah, shall have effect from 1st September 1881, the date of his actual retirement.

2. This will raise the applicant's total service to 26 years 2 months and 22 days.

SIR,

With reference to your memorandum No. 82 dated the 27th September 1881, I have the honor to state that under the concluding part of rule 1, Section 126, of the Civil Pension Code, & under Section 135, a regular application for Pension on behalf of an Officer should not be submitted before the Officer has actually retired from the Service. The infraction of the Rules in the present case has involved the retention of an Officer in the Public Service for a period of eight months, after he had been officially declared to be inefficient, owing to age. I think the course directed be adopted in the Draft G.O. exceedingly hard on the individual concerned. Although the applications states that the pension is to commence from the 1st Jany 1881 it was not submitted by the Commissary General until the 10th Feby and the individuals eligibility was not certified by the Controller until the 17th March and the G.O. granting the pension is dated 26th July which probably did not reach the Commissary General until the first week in August — I do not myself see how the head of a Depart. can with propriety put an applicant for pension out of employment against his will until the order of Govt accepting the recommendation is communicated to him but be this as it may the applicant if retained on the effective list should not be made to suffer — I think that in this case Arunachella Pillay should be allowed to draw his pay up to the date of the G.O. granting him pension H.S.
