The delay in the submission of this application was due to the difficulty experienced in verifying the services of the applicant.

The Asst Collector addressed a letter to the Treasury Dy Collector dated 22nd January 1879 No.4 asking for the details of service of Dayyala Guranna peon of the Tahsildar's Office of the Goomsur Taluk. The Try Dy Collector replied to this on the 24th January 1879 that the details of service could not be verified by the records unless they are approximately entered in the service book. The Asst Collr stated that this could not be done. For some time an ineffectual search was made in the records and at length papers referring to the subject were found between February 1879 and March 1880. The information referred only to certain years and being incomplete the remainder is based on the affidavit of the applicant for pension. Hence the delay in the submission of this application.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that should Government be pleased to accept that portion of the applicant's service which is not verifiable from Office records on the strength of the affidavit and evidence of contemporary employes furnished his qualifying service in inferior grades will amount to 26 years 7 months and 4 days and that an Invalid Gratuity not exceeding Rupees 36 or equal to 6 months' pay will be admissible under Sections 61 and 76 (a) of the Civil Pension Code, 4th Edition.

The Calculations have been duly verified.

The delay in the submission of this application is explained by the Collector in the accompanying memo without No. and date.

In accordance with Rule 3 A, under Section 87, the attention of Govt. is respectfully solicited to Section 22 of the Code.

The Collector recommends the applicant for the grant of a Pension taking into account also the period of service rendered prior to resignation of the Public Service in May/47. As the resignation was followed by a break extending over a period of 1 year, the period of service preceding the resignation cannot be treated as qualifying for Pension. Vide rule 3 Section 56 of the Civil Pension Code.

In the affidavit furnished the applicant states that he obtained re-employment 7 or 8 months after resigning his appointment in 1847. As the date of re-employment is proved to be correct by Office records the period of non-employment from the time of his resignation to the date of his re-employment as shewn by the Collector in the history of service is also taken as correct. Correspondence with the Collector on the subject has therefore been considered unnecessary.
