Read also the following paper:—

From Major H. R. MEADE, R.E., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 26th September 1881, No. 407.

I have the honor to inform you that M. Runganathum Pillai was Draughtsman in the Salem Division Office, and his services were dispensed with on the 3rd March 1880 owing to the reduction in the establishment, and in G.O., Pension Department, No. 1149, dated 26th November 1880, a bonus of three months' pay Rs. 150, in lieu of notice, was sanctioned, and the amount was accordingly paid to him on the 13th April 1881, or long before the receipt of G.O., No. 1703 W., dated 9th July 1881, in which the services of the Draughtsman were transferred to the Mysore State.

2. The Examiner of Public Works Accounts considers that as "the services of Runganathum Pillai had been transferred to the Mysore State thus enabling him to retain his past services for any future pension he may be entitled to, the gratuity in question is clearly inadmissible, and the orders of Government, if necessary, for the refund should be obtained on early date."

3. Runganathum Pillai's services in the Salem Division were dispensed with on the 3rd March 1880, and he was without employment (for two months and seventeen days) up to 21st May 1880, on which date he took up an appointment in the Mysore State when thirteen days were short for the three months, for which he received the gratuity of Rs. 150. I request you will be so good as to let me know whether the man should refund the whole or any portion of the amount (Rs. 150) received by him.
