Sir,

In reply to your letter N^o 612
of the 15th Instant, I have the honor to
state that the delay in replying to your
reference, about the services of Taluq, Beon
Bheima Naick, is, that some information
on certain doubtful points, on which the
records in the Huzur, here, are not clear,
being required it was called for from
the Tahsildar of Madurantakum Taluq.
An order was sent to him marked
"Emergent" on the 15th June, - on the 24th
idem another emergent reminder was
sent

sent. On the 7th Instant the Tahsildar was again called on to hasten his reply. He has taken no notice of any of these orders, and no reply is come as yet. I beg you will kindly take notice of the Tahsildar's gross negligence in attending to orders and direct him to reply to my reference to him by return post.

CERTIFIED that I, E. A. Timmell, Surgeon Major Lillah Borgefflunghepet, have carefully examined Beema Naikar son of Sesachella Naikar Ponn, in the Seluy Cutcherry, Madras District. His age is, by his own statement, 61 years, and, by appearance, about 61 years. I consider

Beema Naikar

to be completely and permanently incapacitated for further service of any kind

in the Department to which he belongs, in consequence of Cancer and old age. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Beema Naicken, peon in the Madurantakam
Taluk, together with the usual accom-
paniments, and request that you will
be pleased to obtain the sanction of
Government to the moiety of pension (Rs 3)
to which the applicant seems to be
entitled.

2. Beema Naicken applied for pen-
sion of his own accord on the 30 November

for the necessary medical certificate, until the 1st of March last. He died on the 14th of July, leaving his son Murgesan aged about 16) and two wives as heirs.

Pachai and
Punguwanam

The Tahsildar reports that the arrears of pension may be disbursed to Murgesan.

3. The delay of 6 months in the submission of this application is accounted for as follows:—

(i) The application from the Tahsildar was received on the 25th of April or nearly 2 months after the date of the medical certificate. He reports that the applicant being too seriously ill to attend in person sent the certificate on the 30 March and appeared before him only on the 22nd April in a Dooly and that some more marks of identification, which were necessary, were taken.

(ii) The Service Register, which had been sent (7 May) to the Treasury Dy Collector was returned on the 27 July having been

duly verified. The Deputy Collector attributes the delay of 2 months and 20 days in the verification of the Service Register, to the non-submission of information, in time to him, by the Tahsildar, on certain doubtful points on which the records in the Huzur were not clear. (Vide the enclosed copy of the Dy Collector's letter nr^o 420/18.7.81.)

(iii) There being certain discrepancies between the entries in the Service Register and those in the Pension application, further information had to be obtained from the Tahsildar, and his ^{final} report was received only on the 24th ultimo.
