From

M. J. Chigptam Esq.,
offg ACCOUNTANT-GENERAL
TO THE GOVERNMENT OF MADRAS,

To

THE Collector of
Chingleput

Sir,

"I enclose your application for pension on behalf of M. J. Chigptam Esq. late Treasury Clerk, Chingleput Collector's Office."

The undersigned has the honour to enquire as follows:-

1. Why the Collector proposes in para 3 of his remarks No. 5 on the 3rd page of the application to regard the applicant's services as qualifying for pension only from 1st July 1864 while he would seem to be entitled to count towards pension the service from 1st May 1849 the date on which he attained the 22nd year of his age.

2. Why the leave on Medical Certificate proved

proved by the Audit Register on record in this office to have been enjoyed by the applicant from 5th January to 5th May 1874 was not deducted from the total period of his qualifying service.

Under the provisions of section 95/b of the Civil Pension Code, the Local Government is competent to condone breaches to the extent of 1 year. It is requested therefore that the pensionable periods of the applicant's service may be distinguished from the non-pensionable ones in the columns provided for the purpose in the 2nd page of the application.

I have the honour to be
Sir,

Your obedient servant

Reply to Accountant General's
Objection Memo No. A.D.K. dated 1st
119
September 1887.

1. The applicant seems entitled to Count Service towards Pension from 13th May 1849, the date on which he attained the 22nd year of his age. The entry of 1st July 1864 in para 3 of Column 5 of the Pension Application was a clerical error.

2. The Sick Leave from 5th January to 5th May 1874, enjoyed by the applicant was, through an oversight, omitted in the verified Service Register, and therefore the period has not been deducted from the total qualifying service. This has, however, now been done.

3. As requested in para 3 of the Objection Memo, pensionable periods of the applicant's service have been distinguished from the non-pensionable ones in the application herewith submitted.

Certified that should Government with reference to Rule 7 under Section 93 of the Civil Pension Code be pleased to concur in the applicants above without leave for 11 days from 20th to 30th August 176 with leave without allowance his qualifying service in superior grades will be duly proved for 30 years 11 months and 22 days; and that a Retiring Pension not exceeding the 12.8th per annum equal to $\frac{1}{12}$ average emoluments will be admissible under Sections 107, 112 and 109(c) of the Civil Pension Code 5th Edition.

The calculations have been duly verified.

It is observed from the remarks opposite to her in the 3rd page of the application, that the character and fact conduct of the applicant have not been thoroughly stated. It is not thought with propriety to make such a deduction in the amount of Pension. It may be submitted to him as it may claim proper with reference to Rule 6 under Section 84 of the Code.

It will be seen from the 1st page of the application that the Collector has recommended the applicant for the grant of a pension of Rs 12.8.3 while this office has recommended only Rs 12.8.0. This difference is due to the inclusion in the calculation of average emoluments of Acting allowances drawn by the applicant while he was acting as Vernacular Clerk as stated by the Collector in para 6 of his remarks on the 3rd page of the application. This mode of calculation is inconsistent with the Rules of the Civil Pension Code.
