Secretary's notes

3

Note for this application for pension has not been carefully prepared. The column headed "Period reckoned as service" has not been filled in. The Controller of Military Accounts should not have submitted it to Govt. in so incomplete a form. Column 10 of Applicant's Service Book also has not been properly filled in & not made up after 1871.

As the pension does not take effect before the 1st November next, it is submitted that the papers be returned to the Controller in view to the omissions being supplied.

X but the total is entered. Is this not sufficient? This omission at least should be clarified.
