Process servers of the District Munsif's
Court of Analahur.

The District Munsif says that
at the time of the preparation of the
Service Registers of these individuals
the entries in column "age" were made
approximately according to the
statements respectively made by them
when they were sent for examination
before the Zillah Surgeon they made
different statements. But neither
of these statements is in consistence
with the opinion formed by the
Zillah Surgeon regarding the age
of each individual. These men
who

whose of an illiterate character &
cannot give the exact date of birth,
^{are they} nor even of such a memory as to
adhere to statements they once make
regarding age. Being unable to give
the exact date, it is also probable
they make the statements regarding
age so as to suit their convenience
at each time. Considering it
unsafe under the aforesaid
Circumstances to rely on such
statements, the age of each individual
as certified by the Zillah Surgeon
in his certificate is adopted in
the preparation of each application.

letter on this subject is herewith

Discrepancies of ages.

No doubt there exists a vast difference between the figures put down in their registers and those given before the Zillah Surgeon. The reason might probably be this.

When the Service Registers were first prepared in 1878, the ages were taken not upon any authentic testimony but from their verbal statements at random (being ignorant of the exact dates of their birth). Further in giving their ages, they cut short as much as possible that they might serve longer and thus escape the effect of the impending 56 years' order. Now after they retired of their own accord, they exaggerated their ages before the Zillah Surgeon.

for fear of being retained in the service.
So, the report given by that officer
seems to be correct.

In P. 1595

N^o 771 Memorandum

10

Of replies to the Objections of the Accountant General contained in his letter No. A.G. 36 dated 18th May 1881.

No. 2. The entry of the Class of records from which the applicants' services have been verified is made in red ink on the 2nd page of each of the applications.

No. 8. Explanation of the District Munsiff of Amalapur regarding the suspension of Peddisetti Venkateswami from 6th to 20th April 1878 is herewith forwarded. Vide Copy of Munsiff's order No. 62 dated 23rd June 1881.

No. 11. It will appear from the accompanying copy of the District Munsiff's report (No. 111 dated 3rd September 1881) that the applicants retired on no other ground than physical incapacity for further service. Their case does not therefore fall under Rule 1. Sec. 61. of the Civil Pension Code 4th Edition - With regard to Narayana, Venkatesa, Rapanaraya, and Venkateswami.

AD

Mr. Katakawani, the District Munsiff states that they were permitted to retire on their 'showing themselves to be unfit for further service', with a view to their being examined by the Medical Officer when called for, and submits that the provisions of Section 62 of the Pension Code which seem to require that medical Certificate of unfitness should be obtained before actual retirement, escaped notice. With regard to Nakhina Sattappa, the District Munsiff states that he was considered to be above 60 years of age, and was therefore compelled to retire. But this opinion of the Munsiff being found in this Court to be at variance with the age stated by the individual and entered in his Service Register, he was also sent to the Zillah Surgeon

Surgeon like other individuals for certificate of unfitness, & he was accordingly certified.

No 12. Before the submission of the gratuity applications from this Court, the want of medical Certificate required by Section 62 was noticed & in view to remedy this defect, the applicants were directed to present themselves before the Zillah Surgeon who certified them to be unfit for further service. Hence the Certificates were dated after the retirement of the individuals.

Footnote. The District Munsiff says (Vide copy of his report dated 10th September 1881, No 117, hereto annexed) that the services of these individuals are verifiable by the records of his Court available from 1st April 1874, & with regard to the services before that date, affidavits have been taken from them. In these circumstances, I am

an opinion that the services of
the applicants are established
should be admitted. Necessary
entry has therefore been made
in red ink on the 3rd page of
each of the applications opposite
to No. 6.

Honored Sir

In reply to your Honorable
Court's Proceedings dated 12th August
1881 calling for explanations with
regard to the marginally noted
process servers of this Court.

I beg to submit the following:
With regard to (1) N. Sattappa it
was considered that he having been
found to be more than 60 years of
age and not having discharged
his duties properly owing to his old
age, retirement was compulsory
and

1. N. Sattappa
2. D. Marayudu
3. P. Venkataswamy
4. G. Venkatesa
5. R. Panayi

and he was ordered to retire.

As regards (2) and (3) D. Narayana and P. Venkataswamy they retired of their own accord with the object of getting their sons ~~was~~ employed showing themselves to be unfit for further service. Their sons were accordingly appointed in their stead.

These individuals were permitted to retire with a view to their being examined by the Civil Surgeon when called for.

This defect was afterwards supplied in your Honorable Court by obtaining the disqualification certificates from the Civil Surgeon as to their physical incapacity for further service.

The provisions of the Pension Code relating to the examination of physical fitness before retirement escaped the

the attention at the time.

13

1. G. Jaggiya
2. G. Venkatariddi

As to (4) and (5) G. Venkatesa and K. Rajanai it seems to be the same case, as their heirs were appointed by A. Lakshmi Narasimham garu when he was acting here as Munsif. The services of these individuals were verified as far as ascertainable by means of Pay abstracts and by a book kept for entering leaves taken.

With the exception of the leaves inserted and those not verifiable (for which affidavit will have to be taken) their services seem to be established.
