* In the Public Works Department, periods of service should be verified by the Examiner P. W. Accounts, Section 84 Rule 2. If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Heads of the Offices in which the applicant states he served during the period in doubt, Section 84 Rule 4; and if verification from this source be not practicable, the applicant must furnish an affidavit on plain paper, accompanied by such collateral evidence as may be procurable, e.g., official certificates and the evidence of contemporary employers, Section 84 Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not, Section 84 Rule 6. The Last Pay Certificate, prescribed in Section 85, should always accompany the Final Pension Application.

* If the Applicant has received any gratuity or pension, here state the amount of gratuity or pension granted, the authority under which sanctioned, and whether on re-employment the gratuity hereof has not been refunded and the pension ceased to be drawn.

† If the Applicant is recommended for a pension or gratuity as compensation for abolition of Office, state here for what reasons it was found impossible to provide other suitable employment for the applicant and whether by the abolition of the appointment, a real saving to Government, in respect to the cost of the abolished appointment, has been produced. *vide* Rules 1 and 6, Section 59 of the Civil Pension Code.
