— The applicants' service book & last pay certificate are herewith sent. It will be seen that the
reason of termination of the applicants' service on 31st December 1864 and on 31st Decr. 1879
is not given in his Service Book as it was not really a termination but was caused by the closing
of his services by the Texanular & English Record keepers respectively with reference to the periods
for which records from which the verification was made, were available with them. The
5 days' absence in May 1860 for which Spay's stated to have been stopped has not been reckoned
as service. The Medical Certificate will be found to bear a date subsequent to that of the
applicant's retirement. The reason of it is that the Treasury Deputy Collector to whom the applicant
was attached allowed him to retire on the date of the death of his service alone (over 20 years)
apparently not remembering the fact that he was an inferior servant of less than 60 years and
required a Medical Certificate.
