2... The Certificate of the Appli-
cants incapacity for further
service is now inserted opposite
to Remark N^o. 5 on the third page
of the application.

3... The District Munsiff
reports that the applicants' name
does appear in the office copy
of the Annual Return for 1880
being written at the top of the
Process Server's list. The omission
in the fair copy must have been
the result of oversight. The date
of applicants' appointment is
1st and not 17th Sept. 1873. The latter
date entered in the Returns for
the

Returns for the past 3 years is a clerical error.

4... The leaves enjoyed by the applicant on the first two occasions viz in Nov^r & Dec^r 1873 and in July 1875 have been reckoned as service, as coming under Section 94 Rule I, but the leaves enjoyed on the last 5 occasions viz between 4th March 1879 and 30th April last have been rejected as non-qualifying under Rule 2 of the same Section, as they were granted without allowances and could not have been granted with allowances under the Rules in Chapter X of the Civil Leave Code.

5... The Applicant has been recommended for a gratuity of Rs 18 equal to 3 months' pay and not to an amount equal to 3 months' pay multiplied by the fraction $\frac{1}{30}$ as I considered and even now consider that the proviso to Section III and the Rule 4 Section II apply only to Pensions and not to gratuities. I would ask you to submit the question for the decision of the Government.

6... The date of ending of the Applicant's service has been corrected

corrected in the Service Book 7... The Application, Service Book and your letter under reply are herewith returned.
