CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No. 311 Certified that should Government, under the explanation furnished by the collector in the 31st page to please to accept the Medical Certificate post dated to the extent of 3 months and 17 days, the applicant & having returned from the service from 1st June 1881, while the Certificate is dated the 17th September 1881, his qualification & services in the prior grades will be duly proved for 26 years 4 months and 13 days, and that an increased pension not exceeding Rupees 185-12-8 per Annum, equal to 1/2 Annum's emolument will be admissible under Sections 102 and 104(c) of the Civil Pension Code 5th Edition.

From the Order published at page 277 Part I of the Fort and Lyceage Gazette of 7th June/81, it will be seen that the applicants retirement has been ordered to take effect from 1st June instead of from the 22nd June/81 as proposed by the Collector in the 1st page of the application. The payment of pension will be 1/4 of the full pension from the former date.

therefore take effect from the former date.

In the pages of the application the Collector proposes the grant to the applicant of a pension of Rs. 18-7-7 only instead of Rs. 18-12-8 per mensem. The difference, it is presumed, is due to the reduction of over 50 annas in the rate of Rs. 18-12-8 per mensem.

The delay in the disposal of the application is due partly to the above receipt of the Medical Commission of average duration on the part of the applicant to its receipt for further service till 23 September '89, and partly to the difficulty experienced in deciphering his service with reference to the periods of earlier days.
