Chief Engineer in the Deptt: of Public Works
under date the 26th March 1861.

Read the following Proceedings of Governmt
H. E. No 537 dated 16th March 1861

The Chief Engineer having carefully perused the whole of the papers connected with the case of E. Jeroovengadum Moodelly concurs in the views expressed by the Sudr Court in respect to the evidence brought forward to substantiate the two charges of corruption upon which the Sessions Court at Rajahmundry found him guilty, and considers therefore that there is nothing to prevent his rejoining his appointment in the Central Office —

The Chief Engineer, however, regrets that Jeroovengadum Moodelly should so far have forgotten the objects for which he was deputed to accompany the Deputy Chief Engineer in his tour to the North as to engage in traffic during that tour, and to have applied to the Head Accountant of the District Engineer of Vizagapatam to act as his Agent in the matter, when in the course of his duties he might have had occasion to find fault with that individual. The Chief Engineer cannot help remarking that, taking Jeroovengadum's statement

as

as correct, the troubles which have fallen upon him as the result in a great measure of the above breach of duty.

The Chief Engineer trusts, however, that the severe trials which Jeroovengadum Moodelly has undergone during the past 10 months will exercise a salutary check over his proceedings during his future career in the Public Service which, it is hoped, will justify the good opinions which have been entertained of him by the Officers under whom he has heretofore served.

The Chief Engineer now resolves to direct Jeroovengadum Moodelly to resume his duties in the Central Office from tomorrow the 27th Instant.

Teruvengadam,

From Major G. Balfour, Member of the Military Board.

I lost no time in seeing Captain Bell and he mentioned that he was well aware of your merits and would with pleasure attend to your interest, but he thinks he would not be acting justly to overlook the merits and services of those men in his office who have acted zealously.

I think you should be content for a little while. There are many changes going on which may bring about good to you and you are at present in a favorable position for rising.

I advise you always to exert yourself to the utmost in your public duties; try and give satisfaction to all above you and do your best to merit their praise, being assured that you will receive it.

Your's truly,

From Colonel C.A. Orr to Williamson, Esquire, Postmaster General.

My dear Williamson,

The situation of Manager in your office having become vacant, a friend of mine, E. Teroovengadum Moodelliar, has asked me to give him an introduction to you, which I do with much pleasure, as I have known him for many years and can testify to his being an extremely clever, well educated man, who will give satisfaction in whatever position he may be placed.

He is now in charge of the Bill branch of the Audit Department of this Office on Rs. 120 per mensem and is naturally anxious to better his position if possible. I must leave him however to give you his own history, and I shall be glad if you will do what you can for him, putting him to the trial if you think necessary.

In reply to your letter of the 20th instant, No. 1278, I beg to inform you that E. Teroovengadum Moodelliar is the Head Auditor of the Northern Circle, in receipt of Rs. 150 per mensem, and that his age is 32.

I believe you are in possession of a printed copy of Teroovengadum Moodelliar's Testimonials, and am happy to be able to add to them from my own personal knowledge of him. He has been nearly 14 years in Government employ, and all his former employers have spoken very highly of him. During the period he has been under me, I have found him to be steady and persevering in the discharge of his duties. M. R. Ry.,
TEROOVENGADUM MOODELLIAR.

SIR,

I have received the two letters you sent me since leaving the Kistna.

* * *

I was very sorry indeed not to be able to return to Dowlishwarum as I had much to say to you, and a good deal of information to get from you in regard to the settlement of the accounts.

You would have seen my letter to Colonel Boileau requesting him to associate you with Madana Gopaul Pillay if the Workshop accounts are still unclosed.

Captain Rundall shewed me the Balance sheet he brought with him and I was in hopes it was all right and that you would soon get to Mr. Dykes' accounts and settle them.

I want you to send me the Memorandum you took down at Samulcotta and at Dowlishwarum regarding the Cash Chest Examinations by me and also at Cocanada and such other information on the subject as you may have for entry in my report on the Godavery.

I want particularly to know the details of cash in the District Engineer's chest when I examined it and to what it properly belongs. You can ask Colonel Boileau, if he is at Dowlishwarum, to let you take a copy of his Cash Balance account which I put my name to.

I intended to have got all particulars regarding the accounts on my return to Dowlishwarum. Any thing you think I ought to notice in my report please send me a Memo. of as soon as possible. Tell me exactly what funds there are from extra sources and what these sources are.

Your's faithfully,
(Signed) W. H. HORSLEY.

From Lt. Colonel A. Boileau, to the Deputy Chief Engineer Northern Circle.

E. Teroovengadum Moodelly, Head Auditor of the Northern Circle, having accomplished the duties for which he was specially deputed to this District, *viz.*, the adjustment of the Workshop Accounts and the clearance of the "Dykes' discrepancy," I have

the honor to request you will be good enough to inform the Chief Engineer that E. Teroovengadum has not only evinced great diligence while employed in my Office, but has made himself very useful (in the interims which necessarily occurred) in aiding me in the general duties of my office.

Without wishing in any way to reflect upon my predecessors, I may with truth observe that on my arrival here I found much, very much to be done to get the Office into order, and I owe it to Teroovengadum to say that he has greatly assisted me in this matter by pointing out to each of the Accountants and Writers their proper work.

I believe that Government would have seldom to complain of their District Engineers' Accounts being in arrears, or being ill kept, if they would only allow such a man as Teroovengadum at the head of each of the Offices.

I need scarcely add that E. Teroovengadum's behaviour has always been most respectful to me, and proper towards the Office people with whom he has been brought in contact.

Extract from a letter from Colonel J. H. Bell, Chief Engineer, to J. D. Bourdillon, Esq., Secretary to Government. dated Chepauk, 9th May 1860, No. 264.

Para. 8. I take this opportunity to submit, for the information of Government, an original letter received from Lieut. Col. Boileau, dated the 11th Ultimo, in which he prominently brings to notice the valuable services rendered by E. Teroovengadam Mudali, Head Auditor, Northern Circle, during the short period he was detached to do duty under his orders. He accompanied Major Horsely to the Northern District in his late tour of inspection, and was of great use to him in looking into the accounts kept by the several District Engineers and Executive Officers, and pointing out to them the rules and forms laid down for observance whenever there was occasion for so doing.

* * * *

12. Taking into consideration the satisfactory manner in which the duty on which E. Teroovengadum Mudali was deputed has been performed, as testified by the District Engineer, I beg to recommend that a further allowance at the rate of Rupees 50 per month be made to him, and to Madana Gopaul Pillay, the District Engineer's Office Manager, who was associated with him in the above duty.

Extract from the Proceedings of Government, dated 30th May 1860, No. 1124.

7. Paragraphs 22 to 40 of Colonel Horsley's Report are occupied with his examination of the accounts of the various officers in the district, in which he was greatly aided by Teroovengada Mudali, Head Auditor of the Northern Circle, who was with him. On the whole, the accounts are stated to be well kept; but very serious irregularities were found to exist in the district with the knowledge and sanction of the District Engineer.

Extract from the Proceedings of Govt. Public Works Department, dated 15th June 1860, No. 1260.

Para 12. At the close of his letter the Chief Engineer recommends some special remuneration to E. Teroovengada Mudali and M. Gopal Pillay, for their extra labor in closing the Workshop Accounts. Teroovengada Mudali was sent up from the Chief Engineer's Office for this duty, and he has already drawn the authorized travelling allowance of 3-10ths of his salary for the whole period of his absence, besides his dawk expenses from Bezwadah to Madras. M. Gopal Pillai is Manager of the District Engineer's Office at Dowlaishweram. The Government recognise the good service done by the former in aiding Colonel Horsley in the inspection of the District and Range Accounts during his late tour. They are not prepared to go the length recommended by Colonel Bell, in rewarding these two persons for their trouble with the Workshop Accounts, but they resolve to award them a gratuity of Fifty Rupees each for that duty.

SALEM, *16th September* 1863.

TEROOVENGADUM,

From Colonel H. W. Hitchins, Superintending Engineer, 5th Division.

I think it but right to tell you, that I have written to Colonel Orr to tell him under what peculiar circumstances I have given you leave and also that there is no one in the office to whom I could entrust your duties if absent myself for more than 2 days. It is highly inconvenient, as I feel I ought to be moving about.

I have also asked him to let me know whether there is any chance of your being provided with an appointment at Madras, as I know it would take me some time to find a fitting successor.

SALEM, *19th September* 1863.

MY DEAR ORR,

Extract from a demi-Official letter from Colonel H. W. Hitchins, Superintending Engineer, 5th Division, D. P. W., to Colonel C. A. Orr, Secretary to Government D. P. W.

This will be delivered to you by Teroovengadum, who, poor fellow, is much dejected at the loss of his wife, but I trust a change of scene, and return to his family at Madras, will soon restore him. He will tell you that as far as in-door work goes, the new arrangements work capitally in my Division.

* * *

You will be glad to hear that Teroovengadum has given his entire time and attention to his duties, and maintains, during my absence, the strictest order in the Office. He has proved his fitness for his post, and I only trust the other Superintending Engineers are as well off as myself.

Your's very sincerely,

My Dear Rideout,

From Lieut. Colonel C. V. Wilkieson, R.E., Controller of P. W. Accounts, to the Pay Examiner.

The bearer of this note, Teroovengadum, is very anxious for some new appointment that is said to be in your gift. I can recommend him as one of the cleverest natives that I ever met, and he thoroughly understands the business of an Auditor, besides being a first class Accountant. He is also a very good English scholar. He is at present Head Accountant in the Office of the Superintending Engineer, Salem, on a salary of Rupees 200.

Chepauk, 18*th August* 1873.

Respected Sir,

From E. Teroovengadum Moodelliar, to J. Grose, Esq., Secretary, Board of Revenue.

I beg leave to bring to your notice, that I joined the Board's Office in August 1865, and have not ever since taken any leave. On the other hand, my duties have been such as to induce me to attend the office regularly and even during the Xmas vacations and other holidays.

I am sorry to say that my health has been lately failing, so much so that I am advised to take leave for a short time, to keep aloof from office work and subject myself to Medical treatment.

I am entitled to Three months' privilege leave, but circumstances over which I have no control prevent me from availing myself of this leave and I wish therefore to reserve it till some future time.

Meanwhile, I will thank you to favor me with Compensation Leave for Forty days with a view to improve my health.

This seems to be a fitting opportunity for me to take the leave as in October next the Budget season will commence. Mr. Hill will, during my absence, conduct the business of the Department.

I beg leave to remain,
Respected Sir,
Your most obedient Servant,
(Signed) E. TEROOVENGADUM.

---

Endorsement of J. Grose, Esquire.

You must know that I have not the power to grant forty days leave except under the Leave rules.

It is true that you have worked during forty days and more of holidays but "Compensation Leave" is only a name for "Casual Leave" and this I consider to be limited to a fortnight at most.

I shall be sorry and the public interests will be inconvenienced if you find it necessary to take leave during my absence.

(Signed) J. GROSE.

Teroovengada Moodelly, the Manager of the Local Fund Department in the Office of the Revenue Board, was of the greatest use to me during the time I was Secretary, especially in introducing the present Local Fund organization. He had extremely hard work, never got Privilege

leave and used to attend before and after Office hours and even during holidays such as Christmas, etc. I hope that it will be possible to take this into account if there is any difficulty about the period of qualifying service when he applies for pension.

I am now leaving the Country and the Service and wish him prosperity and long life.

My Dear Mr. Teroovengadum Mudaliar,

I shall feel obliged if you will come to the meeting of the Budget Committee on Friday next at 4-30 P. M. when the G. O. ordering certain reductions and modifications in the Commissioners' Budget will be considered.

I have got out all the results which the Government order requires and the work of the Committee will not be difficult; but there are some things in the G.
