Report of the Examiner of Public Works Accounts dated 26th August 1881 No. 409x with enclosures.

The foregoing papers are returned to the Examiner of Public Works Accounts with the intimation that the case cannot be disposed of till the confidential Medical Report referred to by him is submitted and that it is useless sending on papers to Govt. before they are complete. There seems no reason why such Reports

should

should not be ready when the application is sent in, and in future they must always accompany the latter.

* In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 84, Rule 2.
If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 84, Rule 4; and if verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, *e.g.*, official certificates, and the evidence of contemporary employés, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not.
