 in grades eligible for pension and
 gratuity. All descriptions of leave which
 he may have had for the period in
 question should be noted.

Copy of letter from the Superintendent of Works, Kistna, to the Examiner of Public Works Accounts No 25 K.S. dated 15 April 1880

With reference to your letter, No 9298.E.1st, dated 25 March 1880, I have the honor to reply as follows to each of the points therein mentioned

1. The applicant's services for the period referred to have been verified from the periodical returns of the late District Engineer's office Kistna and I find that they were all rendered in grades eligible for pension and no leaves appear to have been granted him during the above periods.

2. It appears from the weekly returns of leaves, transfers &c that the applicant drew full pay during the months of March 1870, January and February 1873 in the marginally noted Ranges as he was then transferred from the one Range to another

✓ In the late Western Range Bellora District and late Palnad Range Kistna.

Supervisor in Ch.

This 2nd Accountant of this C. Karasimbaroa has given me every satisfaction during the short space of time, I have been with him in the 4th Range - He is a man of long standing in the Department & is somewhat ill-fated in not having as yet succeeded in obtaining a better post than that which he now holds. He has acted as 4th Accountant of the Rajputta & Western Range of Kistna & Kellone District. From his knowledge of & acquaintance with the departmental system of accounts I am sure that he will reflect credit on any one who would give him a post of better involvement.
