Sir,

With reference to your letter No. $\frac{\overset{+}{A D K}}{85}$ dated 24th July last, I have the honour to return the pension application and the Service Register of Jamal Saib late Tappall runner in the Postal Department supplying the information asked for in Numbers 2-4-5 and 18.

+ herewith returned.

2. Copies of orders asked for are herewith sent translated together with the last pay Certificate received from the Superintendent of Post Offices Nellore

Division who has been ordered to recover the amount paid to the late runner beyond the period of the Medical Certificate in accordance with the last pay Certificate sent by him-

3. On the retirement of one Darwan Fakerdeen on the 23d September, 1865, one Saik Hussain was appointed in his stead by the General Charge Dy Collector. The latter individual not having joined his appointment, the applicant Jamal Saib was appointed to act for him as runner. The permanent man Saik Hussain having never joined, Jamal Saib was confirmed in the appointment from June 1866. Thus it would appear that no one counted service in the appointment during the period save the applicant. This explains the cause of the omission of his name in the annual return for 1866 though he was appointed a runner on the 25th September 1865.

4. From a copy of the Order of the General Charge Dy Collector No. $\frac{483}{9.7.70}$ above referred to, it would appear that the working of the Tappal Establishment was transferred to the Imperial branch under Orders of the Inspecting Post Master Nellore Division. The applicant appears to have entered the imperial branch after a lapse of 2 months from the date his services were dispensed with in the Revenue Department. An affidavit taken from the applicant stating that he resigned

the service in 1864 is herewith sent

In reference to the letter No. 706 of 1st September from the Inspecting Postmaster Nellore Division the following order is issued.

The Inspecting Postmaster informs that an experimental regular post office was established at Jamalmadugu on the 1st instant, and requires that the service of the taluk tappal gumastah should be dispensed with and that the tappal peons should be transferred to the said regular office. You are therefore required to dispense with the service of

the gumastah from the 1st instant and transfer the peons to the Regular Post Office.

Kiphiyat taken from the late tappal runner Jamal Sahib of Jamalmadugu on the 31st August 1881.

Daravan Pakerdeen a tappal runner on the Proddatur road having retired on pension I was appointed to act in his post on the 24th September 1865. I continued in the post till 31st May 1866. On receipt of sanction for his pension I was confirmed in the same post. I was held as an acting man until the receipt of sanction for the pension and then confirmed.

As I was sick on the 5th of November 1864 I applied for leave, and as it was not granted to me I resigned my post. It is true that I again secured an appointment on the 24th September 1865.

I have heard my statement. It is correct.
