The entries in the Service Book shew that the Applicant was transferred for employment under the Local Fund Board on his services being dispensed with on reduction of Establishment in the Public Works Department. Pending the final orders of Government to the reference made by this Office in letter No 264 W dated 29th January 1880, and with reference to Government of India Public Works Department letter No 734 G. dated 19th March 1880, to the address of the Madras Government printed with G.O. Pension Department No 551 dated 5th May 1880, it appears doubtful whether the Applicant will be entitled to any gratuity.

Attention is also invited to the orders of this Government contained in G.O. No 1193 W dated 19th May 1880.

The Applicant's services were dispensed with on the 31st March 1880 owing to General Reduction of Establishment of the Public Works Department.

No. AD/1323

Countersigned with the remark that for the periods of Service from 1st November/71 to 21st March/75 & from 1st April to 31st August/75, the applicants pay is stated to have been charged to "Works"; and his total period of qualifying service would therefore need to be diminished by 9 months and 24 days the effect of such diminution being to entitle the applicant to a Gratuity equal to only 6 instead of 7 months pay as recommended by the Examiner. On being asked to justify the inclusion of the above named period of service in the total period of qualifying service, the Examiner Public Works Accounts in his reply to this office memo: No. A 2K/569 dated the 4th October/80, states that the applicant while so paid, retained lien on his substantive appointment, and was therefore entitled to count the service towards Gratuity under Section 28 of the Civil Pension Code. The attention of Government is however respectfully invited to Rule 1 under that section from which it will be seen that Section 28 permits the temporary suspension of the 2nd Condition only under which an officer entitled to Pension should hold a substantive office on a permanent Establishment, but that it does not authorize any relaxation of the 1st Condition. But in the case under report that condition would seem to have been relaxed inasmuch as the duties and pay of the applicant in the appointment he then filled were not regulated by Government. Under these circumstances it rests with Government to decide whether the period of service of 9 months + 24 days referred to above should or should not be rejected as non qualifying. If the question be decided in the affirmative, the Examiner Public Works Accounts should be asked to revise his report on the case.
