Copy of letter of explanation from
the applicant dated 22nd February 1911

With reference to 2nd para of your
memo d. $\frac{3475}{16-2-11}$ I beg to state that the period
of 8 days break of service from 15th to 22nd August/10
therein referred to is not a break, but the time
consumed by me in joining my transfer
appointment from Chingleput District to
in North Arcot District, a distance of nearly
95 miles. I was equally overlooked by my then
Officers of both the districts in getting me pay
and travelling allowances for the period. However
I have claimed this from the joining district,
and the Officer in Charge Mr. S. Subbaya Chavva
told me in person that my claim if put forth
by him will be disallowed in the Audit Office,
reasoning that it was not of the nature
counting the discharge of public duty. As
the present clear rule of the Department
subsequently framed has kept in darkness
the disposal of the matter and as the said
Officer himself told me that the period of
my journey will not count towards
my permanent service. I am obliged to
leave the matter in ignorance of any decided
rule. I therefore beg to state that we

the circumstances explained I am quite
eligible to count the journey period towards
my pension.

As pointed out in para 3 I had only made
the necessary corrections in the service book the
corrections being only initiated by me.
