FROM THE SECRETARY TO THE GOVERNMENT OF
FORT SAINT GEORGE,
To THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,
I am directed to forward the following case for the favorable consideration of the Governor-General in Council.

2. H. Sheik Hammad, late a Process Serving Peon in the Kundapur District Munsif's Court, South Canara, first served as a Peon in the District Munsif's Court from 29th November 1837 to 20th May 1858, or for a period of 20 years, 5 months, and 22 days. He then resigned this service and became a Batta Peon. His service as such extended over a period of 15 years, 2 months, and 25 days, but such service does not count for pension as it was paid from fees. He then again did qualifying service as Peon from 16th August 1873 to date of retirement, 5th November 1880, or 7 years, 2 months, and 20 days in all. His total service including the period he served as Batta Peon amounts to 42 years, 11 months, and 7 days.

3. According to the strict letter of the Pension Rules he is entitled to a gratuity of only Rs. 4-3-2 for his service from 16th August 1873, his age being above 25 years at that time, but this appears too trivial a sum to offer a man who has rendered such

First qualifying service from 29th November 1837 to 20th May 1858	20	5	22	lengthened service and is now invalided at the age of 65 years, and I am therefore to recommend that the Government of India may be pleased to overlook the resignation of his appointment in May 1858 to take up the post of Batta Peon (non-qualifying service) and the consequent break in his service, and then by condoning the deficiency in his qualifying service of the prescribed 30 years, of which it falls short by 2 years, 3 months, and 18 days, as shown in the margin, to grant him a half-pay pension of Rs. 3 per mensem.

Shek Hammed, Batta Peon of Kundapur D^o Munde
Court.

His age is, by his own statement 70 years and by appearance
about 60 years.

I consider Shek Hammed to be completely and permanently
incapacitated for further service of any kind
in consequence of old age and debility & partial deafness.

His incapacity does not appear to me to have been
caused by irregular or intemperate habits.

To
The Accountant General,
Madras

Sir,

In reply to your letter of the 17th May last No. ADK, I have the honor to state with reference to Nos. 24 & 25 that the required entries have now been made. With reference to No. 24, a List of Process service Establishment of the Kundapur's Munsiff's Court as standing on 1st April 1874 is herewith sent. No such list was furnished in the said year as none appears to have been called for at the time, the "nominal roll of names" then usually sent being understood to refer to the regular Establishment only. In 1875, 1876, & 1877 however the required lists were, the Munsiff states, duly sent to your office; the one for the last mentioned year being forwarded after receipt of 2 reminders dated 26th July and 2nd August 1877.

Sir,

Under the provisions of Sections 618
76 of the Civil Pensions Code & Edition,
I have the honor to forward an applica-
* together with tion for the grant of an Invalid
applicant's service book and a medical certificate. gratuity to Shere Hamud, late
a Procep serving Peon in the Kundapur Dis-
trict Munsif's Court, who having been on
leave for about 2 years and having been
found to be incapacitated for further
service by old age (over 60) and infirmity,
retired on the 5th November last.

2. The amount of gratuity ordinarily,
admissible to applicant for his service since
the constitution of the Procep Service Establishment,
* as I think is intended to be done by rule 6 under as
Sect. 76 unless the word "Pension" is to be taken in a restricted sense is Rs 18 but when subjected
to the operation of the proviso
to Sec. 70, the gratuity is reduced to Rs 4. 3. 2.
With a view, therefore, to some amelioration,
if

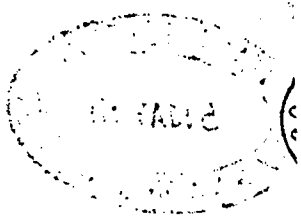

if possible, of the applicant's case, as it appeared that the applicant had a former service of about 20 years as a permanent peon in the Munsif's Court after which he was transferred to nonqualifying service, namely to the old Patta establishment, I referred to the Munsif, on the principle suggested by the enquiry made by Government in a similar case still pending (Accountant-General's letter to me dated 22nd February last No. A. D. K.), as to whether the said former service was such as could be taken into account, or in other words whether the transfer to nonqualifying service (on 21st May 1858) was made by competent authority or was merely voluntarily sought by the applicant (Sec. 55 c.). Munsif has reported in reply that it appears from the office copy of the Munsif's Istillah and the Honourable Civil Court's order on the subject that the applicant applied for and obtained the transfer, resigning his post of permanent peon. The service having thus been forfeited the Munsif has considered it unnecessary to verify the same.

3. Though, therefore, the said service cannot be taken into account, yet it will be for Government to consider, if allowable, whether the fact of the said service may

be useful in so far as to take the applicant's case out of the proviso in question, seeing that his appointment on the Peon's service, establishment on 16th August 1873 was not a new appointment but, as submitted by me in the pending case before alluded to, a continuation of service.

4. In explanation of the delay in the submission of this application, I beg to state that this has been unavoidable as it was necessary to verify service, to fill up omissions in the service book, and also to obtain information regarding prior service above mentioned. As the District Munsifs generally neglect to verify the services of retiring servants until after they have retired, notwithstanding repeated orders from Government denouncing such a dilatory practice, I am drawing their attention to the subject by a Circular which, in all ordinary cases, will make it compulsory that a retirement should be deferred until all requirements of the Pension Code as to the verification of services have been properly complied with.

In reply to your Memo No. 72 dated the 15th instant, I have the honor to report that as Shek Hamud voluntarily resigned his qualifying service in 1858, his case cannot evidently be considered as falling under exception (v) to section 96 of the Civil Pension Code (5th edition), so as to entitle him to count the service rendered before his resignation.

2. The rule that was in force in 1858 relating to the pension of Process Service Establishments is that stated in the note to section 78 of the Civil Pension Code, according to which, it will be seen, that Shek Hamud cannot count his service as a process server.

service of Sheikh Hamud which can be

all service prior to that date must be
ignored.

DEPARTMENT of

Sir,

I am directed to forward the following case for the favourable consideration of the Governor General in Council.

2. *Sheik Hamud* late *Shams* serving now in the *Madras District Munsiff's Court*, South Canara, first served as a *Shams* in the District Munsiff's Court from 29 November 1837 to 20 May 1858, or for a period of 20 years, 5 months and 22 days. He then resigned the service and became a *Batta Shams*. His service as such extended over a period of 15 years 2 months and 25 days, but

Such service does not count for pension as it was paid from fees. He then again did qualifying service as shown from 16th August 1873 to date of retirement, 5th November 1880 or 7 years 2 months and 20 days in all. His total service including the period he served as Batta peon amounts to 42 years 1 month and 7 days.

3. According to the strict letter of the pension rules he is entitled to a gratuity of only Rs 4-3-2 for his service from 16th August 1873 his age being above 25 years at that time, but this appears too trivial a sum to offer a man who has rendered such lengthened service

47. Service and is now ^{47.5} invalided at the age of 65 years and I am therefore to recommend that the Govt of India may be pleased to overlook the resignation of his appointment in May 1858 to take up the post of Batta peon (non qualifying service) and the consequent break in his service, and then by condoning the deficiency in his ^{qualifying} service of the prescribed 30 years of which it falls short by 2 years 3 months and 10 days as shown.
