Revenue Department
Miscellaneous No 7865

Proceedings of the Board of Revenue

Dated 15th September 1876

Read Petition for 1882 and 1893 from
Meenatchi Sundram Pillai, 3rd Vernacular
Clerk in the Collector's Office of Madras,
appealing against the Proceedings of
the Sd. Collector dated 8th May 1876,
suspending him from his Office.

Petitioner's conduct in writing anonymous
petitions has been very reprehensible. It appears, however, that
he admitted having done so, and the
fact that he made no attempt at
concealment is to a certain extent a
mitigation of his error. He has been
suspended for 4 months, and the
Board direct that he be now restored.

2. Petitioner will be referred to the Collector

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior} grades has been duly proved for 28 years 7 months and 6 days; and that a Superannuation {pension} not exceeding Rs. 750 - five hundred and 1/2 is admissible under Sections 106 and 109(c) of the Civil Pension Code. The calculations have been duly verified. It is observed from the particulars apposite to p. 2 in the 3rd page of the application, that the character and past conduct of the applicant leave nothing to be desired. It is noted that the Government has made such provision as will be sufficient to ensure that any benefit payable to him as an employee will be adequate to meet his needs.

REMARKS BY HEAD OF OFFICE.

The applicant was suspended for one year from the 8th May 1875 by the Collector Mr. Blaylock writing ¹⁷⁹for an inquiry into his position, but on appeal the period of suspension was reduced to 4 months; under Board's Proceedings dated 15th September 1876, his pension was 7865, copy of which is enclosed. By the time the report of the Board came into effect, 4 months and 2 days elapsed and accordingly the period of suspension is extended to 4 months under 1 day in which of 4 months.

There is nothing on record to show whether in April 1878 the applicant was a bona fide farmer or not. The report submitted on the application of 1878 was at that time altered and changed about the date of the collection. However as the source of the applicant does not comb towards pension it is immaterial to know the source which it is not possible to gather.

In May 1880 the applicant was reduced from 7865 to 7500 owing to reduction of establishment.
