I have the honor to forward for favorable consideration of Govt:, the accompanying petition from V. Soobba Row, late Clerk, employed in this Office & to inform you that his service from 22nd April 1867 to 29th February 1880 is continuous, but the Examiner objects to admit a period of 5 yrs: 4 mths: 9 dys: as qualifying for pension because he was employed on the Temporary Establishment.

2. Government in G. O. No: 21

dated

dated 5th January 1877 recognised the good service of Soobos Row, and service in such temporary establishment was accepted as qualifying for pension in G. O. Proceedings of the Madras Government, Public Works Dept.
5th January 1877 No. 21.

Read the following letters.

No. 39. From J. D. Harris Esqr. Offg. District Engineer, Malabar, to Major-General G. W. Walker, R.E. Secretary to Government, Public Works Department, of Calicut, 6th March 1876 No. 205

I have the honor to forward a list showing the names, &c., of the late Vythery and North Wynaad Range office members who have been transferred to the Ernaad and Kurumbranaad Ranges; as none of them appears to have passed the Uncovenanted Service Examination, I consider that they should be exempted as a special case to hold on their present appointments. Mr. A. D'Costa has, however, been exempted for employment in Wynaad in G.O. No. 1,616, dated 16th June 1871.*

* G.O. No. 105, of 19th January 1874.

2. In the case of the Head Clerk and Accountant Mr. A. D'Costa, and Draftsman Ponnoosawmy Pillay, I would beg to be informed if they will be entitled to any personal allowance, as Mr. D'Costa is reduced from 80 to 50 Rupees, and Ponnoosawmy Pillay from 50 to 40 Rs.

No. 39.A. From Lieutenant-Colonel R. B. Kennedy, District Engineer Malabar, to Major-General G. W. Walker R.E. Secretary to Government, Public Works Department, of Calicut, 21st December 1876 No. 182.

I have the honor to forward a list showing the names &c. of members of the late Vythery and North Wynaad Range Offices who were transferred to the Ernaad and Kurumbranad Ranges, and who not passed the Uncovenanted Service Examination; but the circumstances connected with their employment are such that I think there is good ground to recommend that their cases may be specially considered, with a view to the difference of pay being granted, as a personal allowance, in each case. I beg to forward a short abstract of the service of each individual concerned.

2. The reason for this application is, that the Examiner of Public Works Accounts declines to pass pay to these individuals except at reduced rates, and your memorandum No. 443. d/ 9th March 1876, directed that, until objection was raised by the Examiner, there was no need to raise the question, and that occasion has now arrived. Pending decision the individuals concerned will only be drawing reduced pay which, I would respectfully submit, will press hardly on them at a time when prices are so high, and cost of living proportionately increased.

P.S. The objection has only been made since November 1876, the former rates having till then been passed.
