Fort Saint George,

From

M. J. Blagden Esq.
OFFR ACCOUNTANT-GENERAL
TO THE GOVERNMENT OF MADRAS,

To

THE OFFICER IN CHARGE OF THE
Settlement Department.

SIR,

With reference to your endorsement No. 1036 dated 11th May 1881 forwarding an application for gratuity on behalf of Mr. Ganapati Gopal Reddy Master Revenue Settlement Party, Ganjam, I have the honour to state that under the rules in force the local Government can condone breaches of any description within the period of 12 months. Should they under that power be pleased to condone the breaches in the continuity of the application to be made, he would seem to be then entitled to pension his services for pension and gratuity with effect from 1st July 1865, the date on which he was permanently promoted to an appointment in Superior Grade. I request therefore that

that in a well kept account
to show the value of services in the
2nd half of the 18th century and
to exhibit in the same manner
those that have not been recorded. The
author has been trying to make the case
of each person known, partly by names
in the original documents.

In the United Kingdom, and
in the other parts of the British
Islands, a copy of the accounts
of March, 18th century, and August
and for March 18th at the rate of
10th penny, and not at 10th and 20th
pennies in the 18th century of service.

It is not to be supposed that
the accounts are not with the case
and account to be taken.

Yours very truly

Sir,

In reply to your letter of the 2nd Inst and
No 43 Communicating Copy of Accountant
General's letter No. A.D.K. dated 17th June and

Director's Endorsement of 21st idem No. 1354
97,

I have the honor to offer the following explanation
on the different points, regarding which infor-

mation is called for with reference to Mr. Ganapathy's

application for gratuity.

2/ I think that the applicant should reckon
his service for pension and gratuity from 1st May 65

and

and lost 1st July, as he was acting from the former
date in a post, in which he was & was considered
and so he may be considered as having been
confirmed retrospectively.

3/ Though the Deans drew only 10 and 15
Rupees, during some months of 1867 & 1868,
& the fractional nature of pay of the appointments
he held were 15720 Rupees, as shown in the
Statement of Services. The explanatory
remark regarding the varying nature of the
amounts allowed has now been entered in the
Service Register.

4/ The Pay Bill for March 1872
contains the Deans' names up to the
end of that month in a column of pay

in the records of this office to explain the
break of 2 months and 10 days from 1st April to
10th June, I have written to the Talisildar of Riphali
& obtain from the applicant and send you direct
the affidavit called for, as well as the Medical
Certificate as to the Deans' physical prospects of life &
forward it on to you direct.

5/ I enclose herewith in case it might
be required for transmission to the Accountant
General an Extract from the Pay Bill Memo-
randum explaining the cause of the Sanjay's
suspension in April 1869.

Translation of an Affidavit of Mallady Ganapathy
late a classifier Ganyam Party dated 29th August 1881.

Mr. Bose sent an order to Subildar of Papially to enquire fully and to let him know why my name is not entered in the Pay bills between 1st April and 10th June 1872.

My explanation thereon is as follows:-
I obtained leave on loss of pay for three months from 18th of December and went to my native place (to recover my health which was bad) and as I was not recovered from my sickness on the expiry of my leave, I applied for a sickness leave for two months more, from 18th March 1872, and as I was not free from illness even on the 18th May 1872 I applied to Mr. Banbury for further extension of 2 months leave, but I got no reply to my last application.

On the 11th June 1872 I was provided with a

situation in the Plectra Party then at Gunson (when
 sanction was accorded for the settlement of that day)
 True, I obtained leave without allowances from
 18th December 71 to 1st July 72, but before the
 expiry of that leave I got a situation in the Plectra
 Party on the 11th June 72 and I never absented
 myself without leave at any time, under those
 circumstances I am at a loss to know why my
 name is not found in the Plectra Party.

 No. 105

This is to certify that I have this day carefully
 examined Mr. Ganapaty late extra Head Gumasta
 in the Gaujam Settlement Party & find him at
 present in perfect health. I am therefore of opinion
 that the normal prospects of his life are as good
 as any of the same age. His age by his own
 statement is 39 years & by appearance the same.
