Gratuities.

Read the following papers :—

From the Master Attendant, Madras, dated 17th October 1881, No. 9124.

No. A.D.J.-345.

Certificate and Report of Accountant-General.

Certified that (subject to the remarks below recorded) qualifying service in inferior grades has been duly proved for nine years, ten months, and two days; and that an invalid *gratuity* not exceeding Rs. 36, equal to three months' pay, is admissible under Sections 102 and 117 (a) of the Civil Pension Code, Fifth Edition.

2. It will be seen from the Master Attendant's letter, No. 9124, dated the 17th October 1881, accompanying, that he is of opinion that the periods during which the applicant was not employed for a few months in each year should be rejected as non-qualifying. But this office is of opinion that such periods should count towards pension, since the non-employment is not due to any fault on the part of the applicant, and has accordingly admitted the periods as qualifying service under the provisions of Rule 1, Section 70, of the Civil Pension Code.

3. In the entry opposite to No. 15 on the first page of the application the date of applicant's birth is shown as "1832." Calculating from that date, his age at the time of retirement should have been not more than 49 years. But on the 29th August 1881 he stated before the Medical Officer that his age was 55 years, and the Medical Officer estimated him to be 60 years old. The Master Attendant is also of opinion that the Doctor's estimate may be adopted. Should Government accept as correct the Medical Officer's opinion and that of the Master Attendant, it is pointed out that the gratuity admissible will have to be regulated under the provisions of Rule 4, Section 117, of the Code. As the point is very material to ensure correctness in the entry in the quarterly statement regarding age, it is requested that that point may be definitely settled.

4. The gratuity that may be sanctioned will be debitable to "Port Fund" (*vide* Master Attendant's letter, No. 9124, dated 17th October 1881).

5. In accordance with Rule 4 under Section 130 the attention of Government is respectfully solicited to Section 65 of the Code.

Calicut Pier, an invalid gratuity of Rs. (36) thirty-six, equal to three months' pay, payable at Calicut, in consideration of his qualifying inferior service of nine years, ten months, and two days.

2. The entry in the applicant's service book will be taken to rule the question of his age at the time of retirement, especially as it is clear that he was not invalidated on account of old age.

3. In accordance with Section 83, Rule I, of the above Code, the whole of the gratuity sanctioned should be debited to Port Fund.

From

A. J. Clogston Esq.
off^r ACCOUNTANT GENERAL
TO THE GOVERNMENT OF MADRAS,

To

THE Master Attendant,
Madras.

SIR,

With reference to your letter
No 9124 dated the 17 October 1881, for-
warding an application for gratuity
on behalf of Moideen, late Pier Lascar,
Calicut, I have the honor to enquire
whether the applicant is a member
of a permanent establishment
devoting his whole time to the service
of Government, or, merely a cooly
engaged when there is need for
such engagement and compensated
for his temporary services as
your letter seems to indicate.
I shall feel obliged by your inform-
ing me of a precedent in which a
person who has been employed
contemporarily with the applicant
on the same establishment, was
granted

granted a pension or gratuity on retirement. If the practice explained in your letter ~~was~~ is recognized by Government a copy of the order conveying such recognition should be furnished. Vide Or. 470-1. C.P.C.

In the application the name and designation of appointment of the Applicant are shown as "Baidra" and "Lascar Calicut Pier" while in the Medical Certificate they are shown as "Boothyalett Moideen Boothy" and "Pier Booby" and again in your letter would imply the name is entered as "Abdul Kawder". Please explain the inconsistency.

Proceeding the calculation from the date of birth agreed in the 1st page of the application and the Service Book, the Applicant's age on the date of retirement must be not more than 49 years; but he states the age to be 55 before the Medical Officer who considers him to be 46 years old. Evidently therefore, there should be some mistake, which needs to be explained.

The Honorable A. Davidson C.S.I.
Chief Secretary to Government,

Fort Saint George.

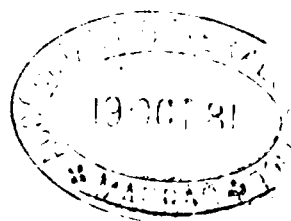

SIR,
I have the honor to forward an application for gratuity on behalf of Abdul Kawder, late Pier Lascar at Calicut, who is unfit for further service, as shown by his Medical Certificate. He was first employed as Lascar for the port boat at Calicut, and continued as such for 2 years, 11 months and 4 days. In October 1874, he was made Pier Lascar, and filled that post till the last. It is the practice during the S.W. Monsoon, when there is no work on the Pier, to discontinue the establishment, and take on the hands again, when the fair season reopens, and work is resumed. Abdul Kawder, therefore, loses 3 to 4 months in each year, and excluding these breaks, the total

total period of his service amounts to 7 years,
9 months, and 10 days. He is entitled
thus to a gratuity of 3 months' salary
or *Ruppes* (Rs) thirty six, and I beg
to recommend that it may be granted
him, the amount being debited to the
Port Fund.

SIR,

With reference to your letter No. A.D.K. 153, dated October 24th 1881, I have the honor to state that Moideen late pier lascar, Calcutta, belonged to the permanent establishment sanctioned in G.O. No. 245, dated August 24th 1871, and you will find in para 7 of this Office letter dated July 17th 1871, No. 4201, therein recorded, that it was proposed to discharge the pier lascars during the monsoon, which has been accordingly done ever since. This is the first application for pension from that establishment, and consequently there is no precedent.

precedent. The name of the man is Moideen, and the necessary correction has been made in the application. He has been improperly designated pier cooly in the Medical certificate, and as regards age it is a matter so uncertain with a person of the applicant's class, that the doctor's estimate of 60 years may be adopted. The papers are herewith returned.
