According to the entries in the Audit Registers of this Office, the applicant appears to have drawn pay at the rate of Rs 35 per mensem from 30th August 1861 to 7th November 1861 and not as Acting 1st Writer at the rate of Rs 37.8.0 as shown in the ^{file} former book and, ^{file} persons application; but as this difference does not in any way affect the amount of pension which the applicant is shown to be entitled to, the return of the documents was considered unnecessary as only delaying the submission of the applicant's case for the orders of Government.

The applicant's services were dispensed with on the afternoon of the 29th February 1860 in consequence of the General reduction of P. W. Department Establishments.
