FROM

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

I am directed to submit the following case for the consideration of the Governor-General in Council.

2. Mr. John Ball, late Assistant Commissioner of Salt Revenue, was invalided on the 1st November 1880, after a service of thirty years, eight months, and twenty-two days in superior grades. His first appointment, dated the 4th September 1849, was that of clerk on the Tobacco Establishment of the Collector of Canara, and after serving for one year, eleven months, and five days, he was on the 9th August 1851 made Stamp Darogah. In this appointment he served for $8\frac{1}{2}$ years, during which period, though also employed as a clerk in the Collector's office, he was apparently remunerated entirely by fees collected in the Stamp Department.

3. His case is thus similar to that which formed the subject of the correspondence noted in the margin, and I am to invite particular attention to paragraph 6 of my letter of the 30th July 1878, No. 336, in which it was stated that this Government recommended that service as Stamp Darogah "should be allowed to count in cases where the Stamp Darogah was previously in permanent Government employment."

To the Government of India, dated 30th July 1878, No. 336.

From the Government of India, dated 16th October 1878, No. 639.

To the Government of India, dated 23rd November 1878, No. 545.

From the Government of India, dated 31st January 1879, No. 482.

4. In the case of Devagi Row, then under consideration, it eventually became unnecessary to decide the above question; but some $8\frac{1}{2}$ years' service are involved in the case of Mr. Ball, the exclusion of which will deprive him of the half-pay pension his long service would otherwise entitle him to.

5. I am to request that a definite ruling for future guidance may now be issued.

I have the honor to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
8th February 1881.

Secretary to Government.

2. The Salt Commissioner's recommendation for the grant of a pension equal to one-half of Mr. Ball's emoluments for the last five years is under consideration.

3. The Salt Commissioner will furnish further information in regard to the sum of Rs. 1,910-14-11 reported to be due by Mr. Ball for "works executed without previous sanction," stating definitely if the work referred to was executed, and whether there has been positive loss to the State, or whether there is anything in question but a mere informality.
