CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

No. ADJ/1128 Certified that service in Inferior Grades in the Ecclesiastical Department is stated to have been proved for 36 years, 3 months, and 7 days; but that under Section 8 of the Civil Pension Code 2nd Edition, the provisions of which were in force at the time of the applicant's retirement from the service in August 1876, he would seem to be entitled to no retiring allowance.

The Claim for Pension on behalf of the applicant has once before been preferred; and the Government, on a report, from this Office, decided in their Proceedings No. 574 dated the 25th Sept./76 that he was not entitled to any retiring allowance – this decision being similar to that which was passed in the case of Mr. Samuel Sawyer, late a Clerk in the Quilon Church. Vide G.O. No. 382 dated the 1st July 1874 Pension Department.

On a representation by the Venerable the Archdeacon of Madras, that in the case of Church Peons and Lascars (Porters) whose whole time is given up to their work, the Provisions of the Pension Code may be relaxed, Government in their Order No. 263 dated the 16th October 1876 – Ecclesiastical, expressed their opinion that the decision on each case under Section 8 of the Civil Pension Code, must turn on the actual facts, and that where the whole time of the individual was retained for the Service of Government, the General rule would not bar the individual claim. Should Government with reference to these views be pleased to grant to the applicant any pension, it is respectfully pointed out that such Grant will need the confirmation of the Government of India in the Financial Department, inasmuch as the emendation expunging Church Clerks and other Church servants from the List of Examples under Section 8 of the Civil Pension Code 2nd Edition, did not come into operation until 25th April/79, the date of promulgation of the 4th Edition.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

1 CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {inferior ~~superior~~} in the Ecclesiastical Deptt. grades has been duly proved for 11 years and 10. months but that under Section 9 of the Civil Pension Code, 3rd Edition, the provisions of which were in force at the time of ~~days; and that~~ a {~~pension~~ ~~gratuity~~} ~~not exceeding Rs.~~ , ~~is admissible under Section~~ ~~of the Civil Pension Code. The~~ ~~calculations have been duly verif~~ the applicant's retirement from the service in March/77, he would seem to be entitled to no retiring allowance.

E/9

2 On a representation by the Venerable the Archdeacon of Madras, that in the Case of Church Peons and Porters (Lascars) whose whole time is given up to their work, the provisions of the Civil Pension Code may be relaxed, Government in their Order No. 263 dated the 16th October/76 Ecclesiastical, expressed their opinion that the decision in each case must turn on the actual facts, and that where the whole time of the individual was retained for the service of Government, the General rule would not bar the individual claim - & should Government with reference to these views be pleased to grant to the applicant any retiring allowance, it is respectfully pointed out that such grant will need the confirmation of the Government of India in the Financial Department, in as much as the amendation expunging Church Clerks and other Church Servants from the List of Examples under Section 9 of the Civil Pension Code 3rd Edition, did not come into operation until 25th April/79, the date of promulgation of the 4th Edition.

3 The submission of the application would seem to be in accordance with G.O. No. 315 dated the 19th June/77.

4 The application is defective in information on many points notwithstanding that repeated instructions were given to the Chaplain of Vepery - Further correspondence has been considered unnecessary as it would only cause delay in the disposal of the case.

5 No service Book has apparently been maintained on behalf of the applicant - The cause it is presumed, is the same as that stated in the Venerable Archdeacon's letter embodied in G.O. No. 2879 A dated the 13th December/77 Financial Department.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {inferior ~~superior~~} grades has been ~~duly~~ proved for 16 years and 2 months
(pension)

but that under Section 9 of the Civil Pension Code, 3rd Edition the provisions of which were in force at the time of the applicant's retirement from the service in October/77, he would seem to be entitled to no retiring allowance.

On a representation by the Venerable the Archdeacon of Madras that in the case of Church Peons and Porters (Lascars) whose whole time is given up to their work, the provisions of the Civil Pension Code may be relaxed, Government in their order No 263 dated the 16th October/76 Ecclesiastical expressed their opinion that the decision in each case must turn on the actual facts, and that where the whole time of the individual was retained for the service of Government, the General rule would not bar the individual claim. Should Government with reference to these views be pleased to grant to the applicant any retiring allowance, it is respectfully pointed out that such grant will need the confirmation of the Government of India in the Fin. Depart., in as much as the emendation expunging Church Clerks, and other Church Servants from the List of Exemples under Section 9 of the Civil Pension Code 3rd Edition, did not come into operation until 25th April/79, the date of promulgation of the 4th Edition.

The submission of the application would seem to be in accordance with G.O. No 315 dated the 19th June/77.

No service Book has apparently been maintained on behalf of the applicant the cause it is presumed, is the same as that stated in the Venerable Archdeacon's letter embodied in G.O. No 2879 dated the 13th December 1877 Financial Department.

From the papers and correspondence noted in the margin it would appear that it was at one time the practice to allow retiring allowances to church servants and that the Govt: of India were prepared to admit it on the understanding that such servants were in
