Remarks by Head of Office.

1. As to character and past conduct of applicant. *While under my order Calsoni's extraordinary conduct was employed chiefly in checking estimates, from which his income can estimate of being important, his character and conduct was good.*

2. Explanation of any suspension or degradation. *Degraded for his conduct from Rs 50 to 40 from 4 July 1873 up to the end of February 1874.*

3. Explanation regarding any gratuity or pension already received by applicant, See Chapter XX. ... }

None.

4. Explanation under Section 50, Rule 1, so far as the Head of the Office can give it ... *No suitable employment was found for him in consequence of the general reduction of staff of Establishment in G.O. No 2552 Dated 17 October 1879.*

5. Any other remarks.

6. Specific opinion of Head of Office whether the service claimed is satisfactory and should be admitted or not. *The service is admissible. He is not fit for service and should be admitted or not. (See Rule 6 under Section 50.)*

The service is admissible.

Major R. S. ...

Signature of Head of Office.

If the Applicant has received any gratuity or pension, state the amount of gratuity or pension granted, and whether on re-employment the gratuity has or has not been refunded and the pension ceased to be drawn.

If the applicant is recommended for a pension or gratuity as compensation for abolition of office, state here for what reasons it was found impossible to provide other suitable employment for the applicant and whether by the abolition of the appointment, a real saving to Government in respect to the cost of the abolished appointment has been produced. File Rules 1 and 5, Section 50 of the Civil Pension Code.

No. 457. $\frac{1}{2}$.

Certificate and Report of Examiner, Public Works Accounts.

Certifies that qualifying service in Superior grades has been duly proved for fourteen (14) years, six (6) months and two (2) days, and that a compensation gratuity not exceeding \$6000 six thousand equal to twelve (12) months' emolument namely \$5000 five thousand is admissible under Section 68(a) of the Civil Pension Code. The calculation has been duly verified.

As the above gratuity will on commutation yield a pension of more than \$2000 per annum, the Confirmed Medical report prescribed in Section 105 and 5 of the Civil Pension Code, has been obtained and is herewith forwarded.

Should however Government be pleased to commute the applicant's absence without leave for one day in March 1864, and for two days in March 1865, into leave without allowance under and to Section 52 of the Civil Pension Code, to wit: then have rendered a qualifying service of fifteen (15) years, nine (9) months and one (1) day and a compensation pension not exceeding \$6000 six thousand (16) annos two (2) per cent \$180 per annum equal to one third ($\frac{1}{3}$) of his average emolument viz \$5000 five thousand will be admissible under Section 68(b) of the Civil Pension Code. The calculation has been duly verified.

Attention is invited to Section 22, with reference to the remarks entered in Column 8 of the 2nd 3 pages of the Service Book.
