Proceedings of the Madras Government,
Public Works Department, 20th Nov^r 1868

N^o. 435 Read the following letter from
the Superintending Engineer, 4th Division,
to the Secretary to Government, Public
Works Department, dated Madras, 10th
November 1868, N^o. 3924:-

1. E. Manicam Mudali the Head Account-
-ant of the Madras Water Works Office
at the Serk Hill, joined that Office on the
19th September 1867, on leave from the
Accountant General's Office, which leave
lasted until the 15th June 1868, the
date of the establishment being made
permanent, when he resigned his appoint-
-ment in the Accountant General's Office.
2. During this period he was on the
temporary establishment of Captain
Scott's Office, and would, according to
the rules, lose service qualifying for
pension.
3. He therefore solicits that the
interval, amounting to eight months
and twenty six days, may, as a
special case, be allowed to count
towards pension.
4. Captain Scott recommends the
grant

grant of the boon, and therefore I forward the recommendation to Government but at the same time; Have the honor, in doing so, to remark that I see no reason why the rules should be set aside to suit Kramicum Mudala. However the case is submitted for the orders of Government.

N^o 436. Order thereon, 20th Nov 68 N^o 3645.

Establishment, N^o 46. In consideration of Kramicum

Mudala's services having been obtained for employment on the Madras Water Works Project in consequence of the knowledge of accounts which he possesses, the Government resolve to permit him, as a special case, to count service during the period intervening between 1st September 1867 and the 15th June 1868 referred to in Paragraph 1 of this letter.

No. 330. Read the following Endorsement of the Superintending Engineer, 4th Division, dated Madras, 8th June 1868, No. 1,181:—

Read the following letter from Captain A. de C. SCOTT, R. E., Executive Engineer, Madras Water Works, to the Superintending Engineer, 4th Division, dated Red Hills, 2nd June 1868, No. 243.

1. I beg to bring to your notice the disadvantage which the employes in this office labor under, from the fact of their being all considered to hold employment of a temporary nature only. This disadvantage is reflected on the officer in charge as it renders it very difficult for him to obtain the services of qualified Natives, or to retain them for any length of time. When it is considered that the Natives so situated cannot reckon their time for pension, and are allowed no privilege leave, it, is not surprising that candidates are few in number.

2. I trust you will submit, for the favorable consideration of Government, my request for a permanent establishment on the scale of a first class Range. I submit that the expenditure for the past year of Rupees 2,85,152, and that estimated for the current year, viz., Rupees 3,03,800, is a sufficient warrant for such a request, especially as it has been found necessary to abandon, to a considerable extent, the system of contracts, and this naturally entails more office work.

1 Original letter.
1 Statement.

1. Submitted to Government for favorable consideration.

2. A tabular statement is enclosed,

from which it will be seen that an increase of Rupees 30 per month is involved.

(Signed) A. J. M. BOILEAU, Colonel, R. E.,
Superintending Engineer, 4th Division.

Tabular Statement of increase proposed to the Establishment of the Executive Engineer, Madras Water Works.

MADRAS,
8th June 1868.

* This is the present temporary Office Establishment sanctioned in G. O. No. 1640 dated 23rd May 1968.

(Signed) A. J. M. BOILEAU, Colonel, R. E.,
Superintending Engineer, 4th Division.

7K

ORDER THEREON, 15th June 1868, No. 1,882.

1. The Government observe that,

1. The Government observe that, although the expenditure at present incurred in Captain Scott's charge is large,

the whole is on a single project and may be far more easily accounted for than smaller expenditure in a Range, since, as a rule, the latter is distributed over numerous works. His Excellency the Governor in Council believes that an establishment similar to those authorized to be entertained for Executive Officers not in

1 Accountant ...	...	Rupees	40	in the margin, will be found sufficient
1 Draughtsman ...	...	"	35	for the Officer in charge of the Madras
4 Lascars ...	...	"	28	Water Supply Project, and authority is
		Total ...	103	granted for its entertainment in lieu of

the temporary establishment authorized in G. O., No. 1,640, of the 23rd May 1863.

2. The above will be a permanent establishment and will be considered as attached to the 4th Division, and not personally to Captain Scott.

3. Should it be found necessary to continue the services of the Writer at present employed on the works, he may be retained and be paid from the allotment for temporary establishments.

4. The pay of the Store-keeper should be charged to the estimate for the works.

Works Accounts N^o. 2395 dated 18th
November 1875.

With reference to your N^o. 65 C.A.
of 8th Instant, I have the honor to request
you will be good enough to reconsider the
matter of salary for Francis Moody.

2. I do not know any thing about
the reorganisation of the Accounts Branch,
but it appears to me there should be no
difficulty in granting him the fixed salary
of his post as this is provided for, in the
Budget on account of the very heavy work
in this Range.

3. I wish particularly to remind you,
that this man gave up a salary of N^o. 80
which he was enjoying as Head Clerk, Super-
intending Engineer's Office, in order that he
might be taken into the Accounts Branch.

4. I have no hesitation, therefore, in
again submitting the matter for your re-
consideration.

5. The substantive Appointment of
Francis Moody is that of Head
Clerk in Superintending Engineer's Office and
it will remain so until he has been
confirmed in his present appointment,
upon

upon which he will formally resign
that in the Superintending Engineer's Office.
