 The entries in the Quarterly Ap-

 somewhat incorrect and incomplete
 in regard to dates &c. but as the
 entire period of the Applicant's ser-

 necessary correction and completion
 was considered unnecessary as only
 delaying the submission of the

Countersigned with the remark that the amount of gratuity, if sanctioned, will be debitable to Local Funds and General Revenues in the proportion of 100-2-1 and 100-13-11 instead of 100-2-1 and 100-13-11 respectively as reported upon by the Examiner Public Works Accounts. Note that Officer's letter to the 1880 is dated the 6th September 1880 accompanying.

The character and conduct of the applicant have not been entirely satisfactory. It is therefore with great reluctance such a deduction in the amount of any gratuity that may be sanctioned to him as it may seem proper with reference to rule 1 Section 22 of the Civil Pension Code.
