Copy of memo from the District Engineer
Sanjore to Mr. Hammett Supervisor No. 15 Range
No. 129 dated 2^d May 1892.

It appears from a letter from the
Surgeon of Sanjore that G. Solomon was
sick and reported himself as such, but instead
of going to the Surgeon at Mammampudi went
to the Sanjore Hospital, but attended only from
the 29th March to the 2^d April, when he left
and Dr. Houston very properly (as he brought
no letter from his Range Officer requesting him
to be treated at Sanjore) now refuses to give a
certificate.

Major Mead will not allow subordinates
to absent themselves in this way and directs
therefore that G. Solomon be considered as
absent without leave for the time he was
away from his work except for the time he
was in hospital, viz from the 28th ^{March} to 2^d April
inclusive, 5 days, and for this he grants him
casual leave. On another similar occasion he
will not grant even this indulgence.

- 1. Statement

In retransmitting herewith the pension application and service Book of Gideon Solomon late a Sahay Overseer's Writer Tanjore Division, received with your letter N^o 233 of the 25th June 1890, I have the honor to report as follows:-

(A) The applicant was appointed as minor establishment writer with effect from the 5th October 1860, and this has been duly verified from the records here. As regards his continued employment upto 31st March 1862 the necessary records are not forthcoming, hence the affidavit from the applicant and the statements of two of his contemporaries taken under rule 5 Section 84 of the Civil Pension Code are herewith forwarded, and I consider that the service claimed has been established and should be admitted.

(B) There are no records here to show under what circumstances the applicant was absent in October 1864. As to his absence from 3rd to 8th April 1874 the applicant overstayed the 5 days casual leave granted to him from the 28th March to 2^d April 1874 on account of illness as will be seen from the enclosed copy of Major Mead's memorandum N^o 129 dated 2^d May 1874. I made a reference to Major Mead N.C. to know whether it was his intention when he wrote the above memo, that Gideon Solomon should lose his service from 1st April 1874 with reference to section 35 of the Civil Pension Code.

N.B.—If the service be partly Inferior and partly Superior, the applicant has the option the whole as Inferior towards pension in the Inferior Scale.

Service not less than 30 years,—half pay not exceeding Rs. 4 per mensem, Sec. 76 (h).
N.B.—If the service be partly inferior and partly Superior, the applicant has the option of counting the whole as inferior towards pension on the Inferior Scale, or of counting so much of it as is Superior towards pension on the Superior Scale, Section 77.

re-verified from the Audit Register of this Office owing to the omission therefrom of the names of Gunastahs and writers or from the records in the Divisional Office in consequence of the required records not being forthcoming. An affidavit with statements of two contemporary servants have been obtained and are herewith forwarded. The period has, however, been classed as non-qualifying under Section 55 of the Civil Pension Code, the Applicant having been absent without leave for 12 days in October 1864.

Verified from the Audit Register of this Office, but classed as non-qualifying under Section 55 Civil Pension Code in consequence of the Applicant having been absent without leave for 12 days in October 1864.

Verified from the Audit Register of this Office and found correct. The Applicant was absent without leave for 12 days in October 1864, but the exact period from and up to which the absence extended as also the reasons of absence cannot be traced from either the records in this Office or from the records in the Divisional Office. vide Superintending Engineer's No. 166 S. G. dated 22 November 1880. Copy here with.

In the absence of any precise information on the subject, the period of the Applicant's absence prior to 31 October 1864 has been classed as non-qualifying.

Verified from the Audit Register of this Office and found correct, but classed as non-qualifying under Section 55 Civil Pension Code in consequence of the Applicant having been absent without leave from 3rd to 8th April 1874.

The Applicant was granted Casual leave for 5 days from 28th March to 22 April 1874 on account of illness, but as he overstayd this leave and returned to duty only on the 9 April 1874, Major Head R.E., the then District Engineer, ordered that such overstayd should be treated as absence without leave (vide copy of his Memo No. 129 dated 22 May 1874. Copy herewith). On the Superintending Engineer's No. 1616, making reference to that address.

Regards dated of transfer &c. but as the entire period of the applicant's qualifying service has been verified from the Audit Register of this Office, the return of the documents to the Superintending Engineer for correction and completion was considered unnecessary as only delaying the submission of the applicant's gratuity papers for the order of Government.

The following papers accompany the gratuity application:

1. Service Book.
1. Last Pay Certificate.
1. Affidavit and 2 statements of Contemporary Servants.
1. Copy of District Engineer's (Bangalore) Memo No 129 dated 22 May 1874.
1. Copy of Superintending Engineer's III Bids No 1666 J.G. dated 22 November 1880.

wherein it was his intention at the time he wrote the Memo, that his son should be initiated, he replied that it would be very hard on the applicant that he should lose the whole of his former service and recommended that the applicant be allowed by Government to count his former service, the period of absence being treated as leave without

allowances (vide Superintendent Engineer's III Bids No 1666 J.G. dated 22 November 1880. Copy herewith).

Verified from the Audit Register of this Office and found correct.

The Applicant was reduced from Rs 6 15 on 29 May 1878 on account of inefficiency.

His services were dropped with on the afternoon of the 30 November 1879 owing to General Reduction of Establishment in the Public Works Department.

Verified from the Audit Register of this Office and found correct.

The Applicant's services were re-entertained on the 1st January 1880, but were again finally dropped with on the afternoon of the 29 February 1880 owing to reduction of Establishment.

The entries in the Service Book and Gratuity

Application are incorrect and incomplete as Application are verified from the Audit Register of this Office.
