Nilgiri Division Manager	Manager	1852		31 st May 1880	about	28 years				Not verified from either the records of this office owing to the omission therefrom of the names of incumbents in inferior grades, or from those of the District or Divisional Officers for want of records. An affidavit together with statement of a contemporary servant as required by Sec. 84 rule 50 of the Civil Service Code is however, submitted in support of the Applicant's service.
										The attention of Government is called to the fact that the statement of the contemporary servant (C. Vidyalingam Nale Accountant & Co.) is in support of the Applicant's service from 54 and not 52. But the entire period of his service has been treated as qualifying on the strength of the specific report and opinion of the head of office notes against entry 6 on the 6 th page of the statement Application, that the service claimed is established should be admitted. Now if the service is calculated from only 1854 there will be no difference in the amount of gratuity recommended for him, as he still will have rendered over 20 years service.
										The Applicant's service was dispensed with on the 31 st May 1880 owing to general reduction of establishment in the P. W. Department. He is reported to have died on the 5 th July 1880. Note Copy of letter No 178 dated 31 st Jan 1880 from the Executive Engineer, West Coast Division to the Superintending Engineer, 2 nd Circle, (herein to).
										Agreeably to Section 102, Rule 2 of the Civil Service Code a copy of the Executive Engineer's (West Coast Division) letter No 352, dated 17 th October 1880 to the Superintending Engineer, 2 nd Circle, for furnishing the names of the deceased member's legal representative is herewith forwarded for the information of Government.
