G.O. No. 197 Press/Mis.

Dated 19-2- 1881.

**Not to be folded or roughly handled**

Copy of letter from the Superintending Engineer, 3d Circle, to the Examiner P.W. Accounts, Madras, No 1670 I.I, dated 3d November 1880

In retransmitting herewith the gratuity papers of T.R. Poorooshottama Naidu received with your letter No 479 of the 21st September 1880, I have the honor to report as follows.

A. The Applicant was transferred from Negapatam to the late Mayavaram Range on the 8th September 1874; and was retransferred to Negapatam on the 26th September 1874; and rejoined the latter Range on the 29th Idem. His pay from 8th to 25th September 1874 was drawn in the Salary Bill of the Mayavaram Range dated the 16th November 1874, and passed by your Office on the 19 Idem. As regards his pay from 1st to 7th and 27th to 30th September, being 11 days, while employed in the Negapatam Division, the Executive Engineer states that pay for 7 days only was drawn in the Negapatam Range, hence it would appear that no pay was drawn for the applicant from 26th to 30th September 1874.

B. The Applicant when he was transferred from Negapatam to the Mayavaram Range in February 1875, delayed joining the latter Range and even after joining his new Range absented himself without leave on the plea of a telegram received by him intimating that his brother, was dangerously ill at Tanjore. Consequently, he was first dismissed with effect from 1st March 1875 but after enquiries had been made about his absence &c,

the

the applicant was reappointed and assumed charge of his duties on the 11th June 1875. An original letter from the Executive Engineer No 3 Range Tanjore District to the Superintending Engineer, No 635 dated 19th March 1875; with 9 inclosures, bearing the Superintending Engineer's endorsement No 3472 of 24th March 1875; and a Copy of District Engineer's Memo. No 857 dated 3rd June 1875, on the same subject are forwarded for your information and return.

6. The Executive Engineer reports that in the Office copies of the Statements of the leave &c granted during the month of April 1877 it is entered opposite the applicant's name, that he joined on the 1st April 1877, and again went away on sick leave from 6th April 1877. It is not traceable from the Office records why his pay was not drawn from the 1st to 5th April 1877, but in the Salary Bill for June 1877 full pay, viz Rs 15 for April 1877 was claimed for one Sadasiva Row as acting for Poorooshottama Naidu

Copy of letter from the Executive Engineer in Charge No 3 Range to the Supg. Engineer 5th Division Tanjore No 635, dated 19th March 1875

I have the honor to forward certain papers regarding the absence of Writer Poorushothama Naidoo from the 24th Ultimo to the 8th Instant, and also from the 13 Instant, for some indefinite period. The writer reported himself to me, on the 6th Instant, and could give no reasonable cause, for not accompanying his superior Mr Moore, when the latter left Negapatam on the 25th February for this Range. He then asked for some leave, but I refused to give it to him, and he left on the 13th Instant without permission, on the strength of a Telegram, which I believe to be false and to try, as Mr Moore states, to obtain leave from you in Tanjore.

I have not received the writer's Service Register, and cannot say how he has behaved hitherto, but judging from what Mr Moore says of him, & judging from his conduct on this occasion, I am of opinion, that he is a most unfit person for the post he occupies.

I shall not allow the writer to rejoin his Office in this Range, until you pass orders regarding him, on this report, and I shall appoint another person temporarily to perform his duties. I shall report the name of this person in due course.

Copy of letter from T. R. Poorooshothama Naidoo Writer to the Executive Engineer in charge No 3 Range Tanjore District. dated 6th March 1875

With reference to your honor's order No 668 of 6th Instant directing me to give an explanation for my being absent up to date to join my new appointment in Nannilem Talug I most respectfully beg to bring to your honor's kind notice that when Mr Moore was relieved by Talug Overseer Joseph Pillai in No 4 Range ordered me to do duty under him and further reported to the Executive Engineer in charge No 4 Range by his letter No 314 of 25th February 1875 stating that he did not receive any order about his Establishment. The copy of the endorsement thereon is herewith forwarded for your honor's perusal. Meanwhile I was doing duty under Joseph Pillay until the 5th March 1875 and he also reported about the matter to the Executive Engineer in charge No 4 Range by letter No 373 of 26th Feby 1875. Copy of the letter is herewith enclosed.

On the 5th Instant an endorsement from the Executive Engineer in charge No 4 Range No 1760 of 1st March 1875 Communicated to me by Joseph Pillay for my information and guidance without any distinct instructions when I was on circuit with him at Valangany but on the merit of the endorsement stating that I ought to have accompanied Mr Moore. Vide the District Order. I started at once from Valangany which is six miles

far

this morning. But I further beg to bring to your honors kind notice that the above mentioned District Order was not shewn to me nor it was given for file in the records by Mr Moore, so as to act upon that instruction therefore I was obliged to continue doing duty in No 4 Range in Obedience to the instructions of my immediate superiors. A copy of the letter forwarded to the Executive Engineer in charge No 4 Range is herewith enclosed for your honor's kind perusal.

Under these circumstances I most respectfully beg that your honor will give me orders to join my new appointment and obtain for me my salary due from 25th February up to 5th March 1875 while doing duty in No 4 Range from any means your honor may deem it necessary.

I respectfully beg to inform your honor that Mr. Moore did not shew me the District order nor did he inform me of my transfer along with him to No 3 Range. When overseer Joseph Pillai took charge of the works of Mr Moore he asked him of me whether I am to remain here or proceed to No 3 Range, he replied he knows nothing about it and has further reported on the matter in his letter No 314 of 25th February 1875. Meanwhile I have also reported to your honor about it by overseer Joseph Pillai's letter No 373 of 26 February 1875 and now I am at a loss to find from your instructions received to day, though I was doing duty, I should be deprived of my pay for the time I remained in this Range after Mr. Moore's departure.

Memo No 649 dated 6 March 1875 27

To Purushothama Naidoo

Writer under Sub Overseer.

There is nothing in the papers which accompanied Writer Purushothama Naidoo's letter of this date nor in the explanation itself to justify his remaining in No 4 Range after the Overseer under whose orders he is employed was transferred to No 3 Range

The writer knew very well that he should have accompanied the Sub. Overseer and his plea of ignorance of the subject is a scheming excuse to account for his absence.

The writer will now proceed and join the Overseer at once at Kodavasel and the question as to whether he is to receive pay or not from the date of the Sub. Overseer's relief in No 4 Range until he takes up his duty in No 3 Range will be submitted for the decision of the Superg. Engineer.

As the applicant was transferred from the Mayavaram to the Negapatam Range on the 25th September 1874 it is presumed that he exceeded his joining time and the period during which he drew no pay has accordingly been treated as overstayal of joining time. |

office and found correct.

The applicant's services were dispensed with on the afternoon of the 31st December 1879 owing to General Reduction of Establishment in the P.W. Department.

The entries in the Service Book and Gratuity Application are incorrect in regard to dates of transfer, &c. but as the entire period of the applicant's services have been verified from the Audit Registers of this office, the return of the documents to the Superintending Engineer for correction and resubmission to this office was considered unnecessary as only delaying the submission of the applicant's papers for the orders of Government.

From the records of this Office and from the entries in the Service Book and Gratuity application it is observed that the applicant was transferred to the Local Fund Boards on his services being dispensed with in the Public Works Department. Pending the final order of Government to a reference made by this Office in le No 264 W dated 29th January 1880 and with reference to Government of India P.W. Department letter No 734 G dated 19th March 1880 to the address of the Madras Government printed with Pension Department G.O. No 351 dated 3rd May 1880 it appears very doubtful whether the applicant will be entitled to any gratuity.

The following papers accompany the Gratuity Application:-

1. Service Book
1. Copy of Superintending Engineer's III Circle No 1170 G.J dated 3rd November 1880
1. Copy of letter No 635 dated 19th March 1875 from the Executive Engineer in charge No 3rd Range to the Superintending Engineer 5th Division Tanjore with copies of its enclosures as per margin.
