Tahsildar of Mangalagiri

From the enclosed two argis dated 25th instant sent by Nagaram Appayya and Abbasalli Huzoor Dalayats employed on the work of widening the Tungabhara Channel in your Taluq, you will observe that the peon Medisetti Rangappa has been absenting for the last 5 or 6 days, and that Bhimding and Tadiboyina Appayya have been coming 3 hours late every morning from Mangalagiri and returning home after a short stay of one or two hours. One of the Dalayats also reports that Khasim Khan is on the work, while the other informs that he goes to and comes from Mangalagiri in common with the two peons above mentioned. Further it will be seen from the report of of the Sub-Assistant Surveyor that the work is superintended by no particular individual. This irregularity is to be chiefly attributed to the negligence of the Taluq Peskar appointed to the charge of the work. The two peons Bhimling and Tadiboyina Appanna reported by the two Dalayets as attending late and returning home after a short stay and Medisetti Rangappa said to have been absent for 5 or 6 days are suspended from the 1st proximo. You are instead of the 3 peons to entertain fresh men or if necessary to appoint volunteers to act for them and to report their names. We refrain from passing similar orders in regard to the Peskar although they seem called for, and only keep him in view. As a Superior Officer as you have neglected to pay proper attention to the execution of this important work, half your pay is from this month held in deposit. You are to hasten the execution of the work and report after enquiry as to the truth or otherwise of the negligence of the peons.

Sir,

Tadiboyina Appaya is a Revenue peon at Mangalagiri. The Deputy Tahsildar has reported that he is too old for duty and that his duty had not been done for a long time and applied that he might be transferred to another Taluq.

There was no reason for sending him to another Taluq so I informed the Deputy Tahsildar that if he was so old as to be unable or unwilling to work he had better retire.

His service list was sent here when I directed him to appear before the Civil Surgeon for examination.

The Civil Surgeon sends the enclosed Certificate× that he is fit for further service.

× Copy already furnished to Acct. General

The man himself says that he has served 35 years and is willing to Continue in service. He appears to be very old.

I think the Deputy Tahsildar is the best judge of the man's Capacity to serve and that inefficient peons ought not to be kept on the Taluq Establishment merely because there is a Certificate that they are fit for further service of some sort or other. More than half the Military pensioners I have seen have been invalided without having attained 35 years service or any appearance of decrepitude whatever. I support the Deputy Tahsildar's recommendation.

CERTIFIED that should Govt. be pleased to accept the portion of the affidavit and evidence of contemporary the applicant's service not verifiable from office records on the strength of employes (~~subject to the remarks below recorded~~) qualifying service in {inferior ~~superior~~} grades ~~has been duly~~ proved for subject to the remarks below recorded, be 33 years 1 month and 14 days; and that an Invalid {pension ~~gratuity~~} not exceeding Rs. 3 per mensem equal to 1/2 pay will be ~~is~~ admissible under Sections 61 & 76(b) of the Civil Pension Code. 4th Edition. The calculations have been duly verified.

The great delay in the submission of this application is explained by the Collector in his reply to this office objection Memo No. ADK/187 dated 16th March 1880.

In accordance with Rule 3 A under section 87, the attention of Government is respectfully solicited to section 22 of the Code.

On the 11th April 1872 the applicant would seem to have been considered as inefficient and was accordingly directed to appear for examination before a Medical Officer who certified that he was fit for further service. Whereupon the applicant was re-instated. The period of non-employment caused by the above mentioned circumstances amounts to 7 months and 8 days. It rests with Government to decide whether the breake is one of the kind contemplated in rule 2 section 56 of the Code and may therefore be condoned. If the decision be in the affirmative the applicant may be granted the Pension recommended above, otherwise he would seem to be entitled only to a gratuity equal to 3 months pay as his subsequent service extends over a period of only 5 years and 24 days.

His predecessor was one Kader Hussen.

His predecessor was a Musulman named Kader Hussen. Upon his taking leave, one T. Perumalu was acting for him for 6 Months and this Rayalu Naidu succeeded him. He was holding this post till he was retired under the new arrangement. Ever since his appointment, he was properly doing the work without being suspended, or otherwise punished.

This I say from my knowledge. As I have been employed in this Court from 1863, I have known these facts about him.
