To

Colonel R. H. Sankey R. E. C. B.
Chief Engineer
Public Works Department

Honored Sir,

I most respectfully beg to submit the following anent my services being dispensed with consequent upon reductions in the Public Works Department as per Memo: from the Superintendent of Works Presidency; and earnestly solicit that for the reasons adduced you will be so good as to give the matter your most favourable and charitable consideration.

Copy attached

My services under Government date 4th July 1864 and terminated on 6th April 1880; a period of 15 years 9 months and 3 days. Of this 1 year & 17 days on leave do not count towards pension. The qualifying service therefore I have up to the date of my leaving the Department, is 14 years 8 months & 16 days.

Having however to receive a bonus of 3 Months pay in lieu of 3 months notice under the Financial Code. I respectfully beg to point out virtually makes my actual service 14 years 11 months 16 days being only a deficit of 14 days qualifying service to enable me to draw one third pension.

I

I beg therefore that you will kindly recommend to Government that this small deficit be condoned agreeably to Section 78 A 1 of the Civil Leave & Pension Code; and a pension of one third salary granted me.

Even if this view be not acquiesced in by your honor I beg that my case may be submitted for the favourable consideration of Government as my services being dispensed with was owing to circumstances over which I had no control, not incapacity or ill health and I therefore feel sure that should you recommend my case it will meet with the same consideration that has been shewn to one Thummiah Naidoo late Delta Superintendent Godavery District who had more than 4 months deficit to complete qualifying service for pension vide G. O. No. 178 dated 12th March 1880 Pension Department.

I need hardly point out the pecuniary loss I and my large family will suffer if this be not done; and beg therefore your honor will kindly support me in this matter for which act of kindness I and my family shall ever more feel grateful.

I beg to remain

Extract of para 3 of letter from the Executive Engineer South Arcot to the Supd. of Works Presidency No. 755 dated 1st August 1880.

"As regards Shunmooga Chetty's absence without leave on the 27th and 28th September 1875, the records do not show that any report was made of the same by the Range Officer to the District Engineer; but the then Head Accountant of the Range Office B. Pattabee Naidu states that the Chetti was actually sick on those days and applied for leave, but the Range Officer refused to grant the same in the absence of Medical Certificate. It would also appear that Shunmooga Chetty was remarkably punctual in his attendance during his service in this and in the late Range Office."

has been duly proved for 24 years, 5 months and 16 days, and that a Compensation pension not exceeding Rs 15/ per mensem, equal to one third of his average emoluments, viz Rs 45/ per mensem, is admissible under Section 68(b) of the Civil Pension Code. The calculations have been duly verified.

The applicant, in his petition to the Examiner requests that he may be granted a proportionate pension as at time of retirement there was a deficiency in his service of only 2½ months to entitle him to one half pension. The applicant has apparently included the whole period of his service in inferior grade from 5th April to 31st July 1855, during which he was on receipt of Rs 10/ per mensem. Under Section 78(A) of the Civil Pension Code only one half of such service can count at the discretion of the Local Government.

Should Government be pleased to allow half the period of the applicants services in inferior grades as qualifying with reference to Section 78(a) of the Civil Pension Code, the applicant will then have rendered a qualifying service of 24 years, 7 months and 14 days, and will still require a period of 4 months and 16 days or a greater period than can be condoned by the Local Government with reference to Section 78 A Civil Pension Code, to complete a qualifying service of 25 years to obtain for him pension equal to one half of his average emoluments,
