GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

24th February 1881, No. 218.

Pensions.

Read the following paper :—

From Major D. H. TRAIL, R.E., Officiating Examiner of Public Works Accounts, to the Secretary to Government, Pension Department, dated Madras, 8th February 1881, No. 918-X.

I have the honor to forward, herewith, copies of correspondence noted in the margin, and, with reference thereto, to state that, as the interruption in the service of Mr. B. C. Dumphy, late Overseer, Second grade, whose pension papers were transmitted to Government through the Accountant-General, Madras, with this office letter, No. 516-P, dated 2nd August 1880, extends to a period of over twelve months, the confirmation of the Government of India to the Proceedings of this Government in the Public Works Department, No. 1455 W., dated 21st June 1880, appears necessary to admit of the higher rate of pension shown as admissible being sanctioned for him.

2. Should Government feel disposed to grant pensions in lieu of gratuities admissible under the rules to the individuals noted in the margin, whose applications have also already been forwarded duly completed to Government, the approval of the Government of India to the Proceedings will be necessary, inasmuch as the deficiency in qualifying service in each case is more than that which can be condoned by the Local Government under existing rules.

3. The compensation pension of Rs. 32-6-11 per mensem, sanctioned by Government in G.O., Pension Department, No. 964, dated 27th September 1880, for Mr. W. Rozario, late a Clerk on the Establishment of this Office, for a qualifying service of fourteen years, ten months, and two days, which it is believed is now being disbursed to him monthly, also requires the confirmation of the Government of India, as the period of deficiency in his case exceeds the period of one month condonable by Government, and, until the final orders of the Government of India are received, it would probably be advisable to issue such subsidiary instructions to the Accountant-General, Madras, as may be deemed necessary.

ENCLOSURE No. 1.

Copy of letter from the Examiner of Public Works Accounts, to the Accountant-General, Public Works Department, dated 2nd November 1880, No. 146-A.

I have the honor to request the favor of being informed of the exact definition of the words "if the pension is a Provincial charge" as used in the amended Section 57 (b) and Section 78 (a) of the Civil Pension Code.

2. Is the pension of an officer or subordinate, who was borne on the Provincial Establishment, and whose pay and allowances prior to retirement were being paid from Provincial revenues and adjusted against the Provincial Budget Estimates, to be considered "a Provincial charge?" If not, in what particular case or cases can the Local Government exercise the power of condoning interruptions or deficiencies in service referred to in the sections quoted above.

3. The favor of an early reply is requested.

Copy of letter from the Accountant-General, Public Works Department, to the Examiner of Public Works Accounts, dated 20th November 1880, No. 928-A.

In reply to your letter, No. 146-A, dated the 2nd instant, I have the honor to state that in the Public Works Department no pensions are treated as chargeable to Provincial Funds, and hence the Local Government cannot exercise, in the case of any member of this department, the powers conferred on it in Sections 57 (b) and 78 (a) of the Civil Pension Code in respect to pensions that are chargeable to Provincial Funds.

ORDER THEREON, 24th February 1881, No. 218.

The Examiner's remarks will be considered when disposing of the cases referred to in paragraphs 1 and 2 of his letter.

2. The Government Order sanctioning a pension to Mr. Rozario was, it is observed, based on the Examiner's report countersigned by the Accountant-General. It will now be submitted to the Government of India for confirmation.
