Explanation of the grounds in which the applicant's services prior to dismissal in May 1876 have been treated as qualifying for Pension when the authority directing that he be restored to his office contained no declaration that the former services of the reinstated officer should be held to count for Pension - Vide rule 2 Section 56 of the Civil Pension Code.—

Detailed reasons of the medical officer for his opinion for considering the applicant unfit for further service and if possible a second medical opinion should always be obtained - Vide note 2 section 63 of the Code.

It will be seen from Exception (h) under Section 55 of the Civil Pension Code and rule 15 Chapter IX of the Civil Leave Code that when an officer fails to join his new appointment one week after expiration of the joining time admissible under the rules, he ceases to have a lien on his appointment and is thereby deprived of the benefit of his former services. Information is requested therefore whether on the several occasions in which the applicant overstayed his joining time, the Local Government exempted him from loss of his appointment, if so copies of such Orders should be forwarded. If not the circumstances under which the applicant's services prior to 30th April 1863, have been considered as qualifying should be fully explained.—

5 The applicant's Service Register is returned with the attestation of the entries in Columns 9 and 12.

12. The applicant having been directed to present himself before the Zillah Surgeon at Kurnool for medical examination left his Taluk Pattikonda after giving over charge on the 31st [illegible]gust 1879 and came up to Kurnool. The Zillah Surgeon examined him and granted him the medical certificate on the 12th September 1879. He did not rejoin his appointment as he was found unfit for duty. Hence he drew no pay from 1st September 1879; the date from which his pension is recommended to commence.

16. The appointment of Karkoon was fully vacant from 6th November 1857 to 31st May

1858 and no person save the applicant counted service in it during that period (vide enclosed memo from the Collector of Bellary)

20. The applicant drew full pay of Rs 15 from May 1866 and not from September as entered by mistake in the History of Service.

The then Collector's order dismissing the applicant having been set aside by the Board, his services previous to dismissal have been treated as qualifying for pension. On a reference being made to the Board on the subject they have declared that his service previous not only to his removal but also to his re-instatement counts for pension (vide Board's Proceedings Mis: No 13593. dated 9th December 188) so that the

eriod of 3 months and 8 days hich is excluded from Service i the History of Service as he as without employment, hould also be treated as part f qualifying Service which ill then amount to 21 years nd 16 days.

A certificate from the Ag: Zillah Surgeon at Kurnool is enclosed which gives detailed reasons for his opinion for considering the applicant unfit for further service. The Officer who granted the certificate which accompanied the application is different from the Officer granting the present certificate. Besides the Zillah Surgeon there is no other medical Officer who can grant certificates under Section 63 of the Civil Pension Code

It will be seen from the enclosed copy of a memo: from the Collector of Bellary that overstaying joining-time entailed only forfeiture of his pay for the time in excess.. The circumstances under which the Applicant's services prior to 30th April 1863 have been considered as qualifying, are explained in the above memo:

I. E. P. Frenchman acting Civil Surgeon Kurnool do hereby certify that I have carefully examined third class Revenue Inspector Jayaramappah of Koilkuntla Taluq. His age is by his own statement is 51 years and by appearance about 56 years. I consider Jayaramappah to be completely and permanently incapacitated for further active service in the Department to which he belongs in consequence of old age.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

The reasons for coming to this conclusion are:—

I. He looks prematurely old.
II. Has dimness of vision.
III. Has tremors of hands.
IV. Has loose and flabby muscles.
V. The veins of his legs are varicose and swollen.
VI. Temporal arteries are tortuous.

From
The Collector of

To,
The Acting Collector
of Kurnool

Sir,

In reply to your letter No. 775 dated 12th Instant, I have the honor to inform you that owing to the permanent incumbent returning to duty on the 15th April 1855, Nittore Jyramappa was obliged to vacate the acting appointment he held in the Taluq of Gooty.

2. The break in his services from 1st to 31st January 1862 is due to his delay in joining his appointment at Raidrug to which Taluq he was transferred from Kudligi.

3. No cause is assigned for his having resigned his appointment

as

as Assistant Munshi or Revenue Peon on the 16th September 1857.

4. With reference to para 3 of your letter, I beg to state that as there was, no rule requiring the declaration at the time he overstayed his privilege leave, none was made. This rule did not come into force till the 11th January 1869, vide Note to Clause B Section 55 Civil Pension Code.

5. The absence alluded to in para 4 of your letter is due to Jyramappah's joining his appointment at Harpanhally to which Taluq he was transferred from Hospet. This unauthorized absence did not entail forfeiture of past service, but loss of pay.

6. Jyramappah's Service in this District terminated on the 28th May 1863, after which date he did no duty here.

7

7. Nettore Jyramappa was also known as "Harkara Ramyya"; hence the mention of the latter name in the order of dismissal referred to in para 6 of your letter.

Enclosure 6

Proceedings of the Acting Collector of Kurnool dated 4th May 1876.

23

Iyramappa Revenue Inspector of Koilkuntla taluq was ordered by the Dy. Collector to do the work of the Nagadi Gumastah in order for a time to remove that Gumastah from his own proper work while he was making Enquiries into some Cases in which remittances arrived deficient in the Taluq Treasury. During the time the Revenue Inspector was doing the Gumastah's work, I Examined the Taluq Treasury and found that the Stamps in Stock did not agree with the account and on looking at the account, I found that some figures had got from a Column into another and by making the necessary alterations, the amount agreed with the Stock of Stamps. I showed the account to the Revenue

Revenue Inspector whose duty was to see that these accounts were properly kept and though I showed him the two Columns in which the error had occurred he Could not see where it was. I then — found out he Could hardly see at all. He says he has been like this for three months. I Cannot help thinking it must have been longer. As he is not Entitled to Pension without a medical Certificate, I sent him to the Civil Surgeon who said he was fit for duty, but that he required spectacles. He Came before me again twice; the first time without having taken any steps to provide himself with Spectacles (though it was some days after he had been to the Doctor). I gave him a paper which I picked up at random from my table: it was a Cholera form partly printed: it was some minutes before he Could find out what it was. The next time he had got from somewhere a pair of Spectacles. I gave him an ordinary Arzi to read, but I do not think there was a line which he Could read off without stopping a long time over some word. He said he was going to get another pair of Spectacles from Madras.

Now without Spectacles, he Can scarcely See any thing; that he Could have done any work, either as Gomastah or Revenue Inspector properly for three months, if not longer, is utterly impossible. He has taken no steps to remedy his defects: he has been satisfied with drawing his pay and doing no work. This is a great deal of irregularity & dishonesty in this Taluq; the sharoff has lately been put in prison for Embezzlement; short remittances are said to come from Villages, and when I was with the Deputy Collector he received a

report

report of there being Rupees ten too much in the Taluq Treasury.

I do not say that the Revenue Inspector took direct part in the frauds and irregularities that have occurred: but even if not he has indirectly assisted them by being incompetent to see any thing wrong, and by not in any way attempting to make himself fit for his work. I Consider he has Committed a gross fraud on Government by pretending to do such important duties as he has been Entrusted with which in the Case of Revenue Inspector's work it is impossible to supervise and check. I Consider that he is not fit to be trusted and I dismiss him from the Service.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that should Government be pleased to accept the Medical Certificate post dated to the extent of 13 days, the applicant having ceased to do duty on the 31st August 1879, while the Certificate is dated the 13th September /79, and to condone the breaks in the continuity of Service detailed in the margin, partly due to absence after the end of Privilege leave beyond one week and partly to the delay in joining new appointments, during all of which no pay was allowed to the applicant, his qualifying service in Superior Grades will be duly proved for 20 years 9 months and 8 days; and that an Invalid Pension not exceeding Rs 6-10-8 per mensem, equal to ⅓ average emoluments will be admissible under Sections 61 and 68 (b) of the Civil Pension Code.

From 13th to 20th May 1858
From 1st to 31st January /62
From 9th to 29th April /63.

In May /76 the applicant was accused of certain charges, and the Collector in consequence dismissed him from the Service, justifying his doing so also by the cause that he was found to be unfit for further Service "owing to defect in his eye sight." But on appeal he was restored to his appointment under Board's Proceeding No 6507 dated the 2nd August 1876, but the necessary declaration that the former Services of the re-instated officer should be held to count for Pension was not made by the Board of Revenue until the 9th December /80. Under these circumstances it rests with the Right Honorable the Governor in Council to confirm or not the said Proceedings.

From the accompanying papers connected with his dismissal in 1876 and from the Collector's remarks opposite to No 1 on the 3rd page of the application it will be seen that the character and past conduct of the applicant have not been thoroughly satisfactory. It rests therefore with Government to make such reduction in the amount of his Pension as it may deem proper with reference to rule 1 Section 22 of the Code.

The delay in the submission of the application is explained by the Collector in his remarks on the 3rd page of the application

REMARKS BY HEAD OF OFFICE

Taluk is unfit for public duty owing to age and infirmity. The applicant's age being below 60 years, a medical certificate from the Zillah Surgeon is enclosed as required by Section 162 of the Civil Pension Code. The applicant delayed in joining his appointments when transferred from one Taluk to another in the Bellary District, and no pay was passed for those days; but the Collector of Bellary states that the unauthorized absence did not entail forfeiture of past service. The application for pension was received in this office in September 1879. As the applicant served in the Bellary District up to June 1868 the Collr. of that District was requested to verify the services relating to that period, and as the information furnished by that officer was not complete, a further reference had to be made to him. The applicant's Service Register having been originally kept in Telugu it had to be returned to the Divl. officer with instructions to submit a fresh one in English. And there was some delay in the Divl. office partly owing to the failure of the applicant to appear there to attest the required entries & partly to the want of blank forms of Service Books at the Huzur. Hence the delay in the submission of the application.

I am of opinion that with regard to rule 6 Section 84 of the Civil Pension Code, the service claimed by the applicant has been established and should be admitted for pension.
