Copy of letter from X. C Machado, to the Executive Engineer South Canara dated 23d March 1880

Referring to your Memo. of the 28th September 1879 No217. I most respectfully beg to state, that as regards the period of my service stated in the first para of your above memo viz from 1st February 1852 to 31 July 1857 as unable to be verified in your office and consequently requiring my Affidavit with statement of two or more contemporary servants bearing with the same, the two Statements of the Collector and Executive Engineer of South Canara, received with your above Memo are ample authorities testifying to my employment under Government from April 1855 to March 1862 leaving only the 1st period of my service viz from 1st February 1852 to April 1855: With reference to a latter period I beg respectfully to state although I have tried hard to secure the evidence of my Contemporaries in service during this period, I have unfortunately been unsuccessful in consequence of the parties being dead and are incapable of testifying on this account I am unable to furnish with the statements from two or more Contemporary Servants as required by the Examiner, but am submitting my own solemn declaration of my having in continued Government employ as noted in my service Register from 1st February 1852 to April 1855. Taking these circumstances which were caused me to retire from the Government Service owing to the ill health as certified by the Civil Surgeon of Mangalore without any fault on my part but brought about naturally through the very unhealthy localities where

I

I had been posted in the discharge of the public duties I very earnestly therefore beg that the Government will be pleased not to set aside this period of my continuous services (although they are inferior) in reckoning for my pension.

From the second para of the Memo above referred to, it appears that the date of my having been relieved from the post of Head Accountant of D.P.W. North Canara is taken as the 31 January 1862 whereas from the extract from the statement of D.P.W. Establishment from North Canara signed by then Col. Walker on the 12th March 1862 it is clearly stated that I was holding the Head Accountant's post up to 6th March 1862 and consequently not relieved from it in January 1862 thus actually continued up to 6th April 1862 when I had been told off to special duties under Col Walker with whom I was engaged in the adjustment of the heavy arrears bills of North Canara in which Capacity I drew full pay of my post of Head Accountant (Rs 50 up to 30th June 1862) when I had been appointed Storekeeper in South Canara whence there has been no break of service in the interval of my ceasing to be Head Accountant North Canara and beginning service as storekeeper in South Canara.

Further I beg to add here that the delay in resubmitting my service Register which is taken a very long period is due owing to two reasons i.e. first to my ill health and the other for the long delay in obtaining replies to the several communications I had to make to obtain references to supply the omissions which I am not fortunate enough to get satisfactorily, therefore however, for the delay I beg earnestly

earnestly to be excused to me. The original Service Register ×sent by with the above memo: is herewith returned filling up such portions which are left blank in the same.

× together with the one received with the memo.

In conclusion I submissively beg that my pension affairs may be settled as early as convenient. It is nearly 15 months I am out of employ and possess no means of maintenance both for myself as well as to my poor family in a strange country like Kundapore.

2 Mr Machado wishes that his pension be made payable through the Taluq Treasury at Cundapoor in South Canara.
