Copy of letter from the Superintendent of Works
Kistna to the Examiner of Public Works Accounts
Madras No 1520 dated 30th September 1880.

I have the honor to forward herewith,
an application for pension, or gratuity, as the case
may be, on behalf of late Assistant Engineer Mr.
Rameswamy for submission to Government.

2. A copy of the Eastern Division Officer's
letter No 339 dated 21st September 1880, recom-
mending the Engineer for pension as a special
case is also enclosed. I trust, in a case of this
kind, a compassionate pension might be granted.

Copy of letter from the Superintendent of Works
Kistna to the Examiner Public Works Accounts Madras
N^o 1905 dated 26th November 1880. 31

In transmitting herewith the pension
papers of late Amicut lascar Mr. Permarumang, returned
with your letter N^o 863 & dated 25th October 1880, I have the
honour to furnish the following information on the several
points therein noticed.

1 The Eastern Division Officer states that previous
to April 1880, the salaries of Amicut lascars were drawn in
a lump sum for all the lascars and no service Registers
were maintained, and no record of their services was
kept up and it is therefore impossible to verify the ser-
vices of the lascar in question from the records.

In September 1879, the lascar in question
became blind and obtained in all eight months leave
without pay in order that he might endeavour to have
his sight restored but as he remained blind till 5th May
1880, he was ordered to appear before the Bzillah Sur-
geon and to obtain a certificate of infirmity for further
service. This certificate was produced on the 5th July 1880.
The medical certificate was called for to establish the lascar's
claim to gratuity, but not to prove that he was blind
and unfit for service.

Two statements of Contemporary servants
are herewith forwarded - there are no lascars or other men employed
who worked with Permarumang previous to 1861.

Copy of Letter from the Executive Engineer
Kistnah Eastern Division to the Superintendent
of Works Kistnah. No. 339 of 24 September
1880.

I have the honor to forward
herewith an application for pension and
its accompaniments as per margin on
behalf of M. Ramasawmy, late Ancient
Lascar in this Division who became in-
capacitated for further employment by
total blindness. For this class of servant
no Service Registers were in former years
maintained and in the absence of proper
records, it has been found impossible
to draw up one for the individual in
question. An affidavit has therefore
been taken under Section 84.5 of the
Civil Division Code. You will observe
that M. Ramasawmy has been in
the Service of Government from 1853 up
to 8th May 1880 which not deducting the
periods spent on leave gives him a Service
of 27 years 4 months 8 days and entitles
him to a gratuity of Rs 42 being 6 months
pay.

Considering

Considering however that he
had little more than $2\frac{1}{2}$ years to serve
and considering further that he is
now hopelessly blind and unable
to do any thing for his livelihood I
cannot but think this is a case in
which the rules might be relaxed
and a pension granted and that
this may be done. I have the honor
most strongly to recommend.

Not verified from either the Audit Register or record in this office or from the records of the Divisional and Superintendent of Works officers, owing to the omission from the forms of the names of incumbents in inferior grades, and for reasons specified by the Superintendent of Works in his No 1905 dated 26 November 1880 in the latter.

An Affidavit with statements of Contingentary servants has however been obtained agreeably to Rule 5 Section 24 of the Civil Pension Code and the period closed as qualifying in the strength of the declaration of the Superintendent of Works that the service claimed should be admitted. The statements of Contingentary servants received with the papers are in support of the Applicant's services from 1861, and the Superintendent of Works states that there are none who could certify to his appointment prior to that date.

The circumstances under which the Applicant's services were discontinued on the 8 May 1880, i.e. prior to his incapacity for further service being duly established by a Medical Certificate which is dated the 5 July 1880, have been explained in para 2 of Superintendent of Works Kistna to the No 1905 dated 26 November 1880 (copy herewith).
