17/10/80

The Right Honourable His  
Excellency the Governor in  
Council. Fort Saint George  
Madras.  
The humble petition of  
A. Rameswaram  
(late Master Petty Stationer)  
Central Delta Sub-Division  
Madras.  
First Respectfully sheweth.

The petitioner humbly begs  
to bring into your Excellency's benigne  
consideration the following lines.

1. That he was entertained in the  
D. P. Co in the yr 1832 as  
Jumasta at first and ever since  
performed his duties to the entire  
satisfaction of his immediate  
superiors and subsequently held  
different posts of permanent  
incumbency up to 11<sup>th</sup> May 80,  
on which date he received orders

from the Sub-Divisional Officer  
Central Delta Godavery to the  
effect that his services were  
dispensed with under the orders  
of the Government on the score  
that his post has been under  
the Petty Establishment.

2. That when he was the local  
Suptd of Polli on Rs 12 in  
1874, the then Range Officer,  
J. D. H. Ellis Esq. was pleased  
to raise his pay to Rs 20:  
with the approval of the  
Supg: Engr (the present grade  
of Naishy).

3. That considering his long service  
and his slender means and his  
requisite qualifications, his  
immediate superiors favoured  
him promotion which he readily  
accepted.

accepted, whatever may be the nature  
thereof.

4. That had he been aware of  
the fact that the said Naishy  
post was only a temporary one  
and would be done away with  
in such a short period, he would  
never have accepted it.

5. That having a greater regard for  
Government ~~a general~~ situation (of whatever  
grade it may be) simply because  
that it would entitle him  
to pension & thus continue to  
live his respectable life, he  
discharged his duties as faithfully  
and efficiently as required, though  
the other profession is more  
independent and lucrative.

6. That it may be observed from  
the above what a loss and regret

he was put to by dispensing  
with his employment.

7 That it is quite useless  
to wait any longer for any  
permanent post in the  
Department, he is quite  
prepared to take pension  
of any grade he is entitled to  
under the rules.

8 In conclusion. He most humbly  
Craves your Excellency kindly  
to grant him pension in  
consideration of his long service  
as Channel and Port Supts  
plus the Service of Marshys.  
as specified in his Service  
Register as he was quite  
unaware of this post being  
temporarily entertained.

With reference to the petition from A. Ramakrishnamah received for report with your endorsement no No- dated 2<sup>d</sup> October 1880, I have the honor to subjoin an abstract of the services of the petitioner and to say that I am inclined to believe the assertion made in para 4 of his petition, that when he was made master try from being Lock Supt. he was not aware that he was going from a permanent and pensionable appointment to a temporary & non-pensionable one.

2. I therefore recommend that he be allowed to count the time he was in the latter appointment as carrying the same claim to pension as if he had remained in the former appointment, on Rs 12 a month.
