1 The applicant's services from 10th May 1851 to 4th April 1866 were entered in separate statements which were attached to the Service Book & that from the 5th April 1866 to the 31st December of that year was already mentioned in it. The whole is however now inserted in its 2nd sheet as it cannot all be entered in the 1st which has been cancelled in consequence.

2 In the statement of services received from the Superintendent of Police it is remarked that the applicant resigned the service on the 25th January 1866, & it does not therefore appear that he would have received pay for that date; consequently
that

the date of termination of his appointment was taken to be the 24th of that month.

3 Out of the applicant's service of 22 years & 27 days he committed himself only thrice, once in 1865 and twice in 1875. The rest of his service having been without blot and with reference to the good remark entered in Column 8 of the Service Book his character and past conduct were mentioned to be "good".

4 With reference to the 2nd para of Section 126 page 74 of the Civil Pension Code his service in the Police was considered to be inferior
