Read—the following Proceedings of the Board of Revenue, dated 16th August 1880, Mis. No. 8922 :—

ABSTRACT.—Submitting, for the orders of Government, report from the President, Chingleput Circle Local Fund Board, on the Accountant-General's endorsement on the pension application of Balakistna Mudali, late Assistant Master, Saidápet Zillah School, and stating that the Board are of opinion that the Local Fund Board should not be held liable to pay the amount of the gratuity.

Order—dated 11th September 1880, No. 1761, Financial.

The Government concur with the Board of Revenue. The applicant does not seem entitled to any gratuity under the rules, because no saving was effected by the abolition of his post; but if he did not receive due notice, he seems entitled to the substituted three months' pay.

MEMORANDUM.

Adverting to G.O., 11th September 1880, No. 1761, Financial Department, the undersigned is directed to return the papers connected with Balakistna Mudali's case, and to request that the Accountant-General will report on the applicant's title to receive three months' pay under Rule 2, Section 59, Civil Pension Code.

As he is not entitled to a compensation retiring allowance as he was removed for unfitness and his appointment was not abolished, so also he cannot apparently claim the gratuity provided for in the above rule; but if the Accountant-General thinks otherwise the responsible officer should be required to furnish an explanation of his neglect to give the applicant due notice.

Sir,

In returning your letter No. S.D. No. 569 of the 31st December last, I have the honor to enclose a letter from the Inspector of School Presidency Division and its enclosures, furnishing explanation on the several points noticed in your letter and to forward a revised form of application for gratuity 2.

When the school was under the control of the said Local Fund Board, Bala Krishna Mudali was employed as a writer on a salary of Rs. 20 and when the school was made a Government Lillah school in October 1877, he was made an assistant master, no writer having been allowed according to the scale sanctioned by government as per my Proceedings dated 25th February 1878 No. 718 P, a copy of which

which I herein enclose. He was found incompetent for an Assistant Mastership & as no writer on Rs 20 was allowed in any High School, his services were dispensed with. The applicant's post, as writer, was abolished on the reconstitution of the school and no saving can be said to have resulted to Government, as, prior to October 1877, the school was a Local Fund School.

3. The Head Master has replied to paras 2, 4, 5 and 6 of your letter. As regards the query in para 3, I herewith forward in original ^{to be returned} a Return from the Inspector of Schools, Presidency Division, dated 31st March 1879 No. 974, from which you will observe that the applicant's services were dispensed with on the 9th February 1879 and that a substitute was appointed on the 10th idem.

4. The applicant was paid from Local Funds from 1st November 1871 to 30th September 1877, from the School Fee Fund from 1st October 1877 to 31st March 1878 and from General Revenues from 1st April 1878 to 9th February 1879.

Sir. With reference to the inclosure from
the Accountant General, I have the honor
to state in explanation that

1. No saving resulted to Govt. by the
removal of the Applicant. After the abolition
of his post when Writer, he was made
an Asst. Master, his removal from this
post is explained in Para 3 of the Director's
Proceedings, No. 3515 P of the 9th September 1879.
My Letter No. 22 of the 8th Feby 1879 relate
to his expectation of an appointment.

2. Balakrishna Mordelly's services prior
to the 1st Novr 1871 were remunerated as shown
in Para 2 of the Dy. Collector's Letter. After
further investigation the old Records show
that his services can be verified not from
the 1st August 1867 but from the 1st Sept 1866.

3. The Acquittance Roll in my Office
shows the entertainment of his Successor from
the 10th February 1879, so that the retention
of Applicant's name to the 31st March 1879
may have been made at the Treasury.

4. Balakrishna Shrivastava was paid prior to 18 December 1878 from School Fee Funds, and as such Service was not considered to reckon towards Pension, no Service Book was kept. Shortly after this date, however, a Service Book was got for him, but as he was connected with the School for only 2 months after, no entry was made.

5. His application for gratuity was received only in April 1879. The summer vacation, the want of easy communication with the Applicant, and the inconvenience in having access to the School Records which are kept at the Collector's Office, prevented my forwarding the same before the 1st August 1879. It was returned to me from the Director's Office for revision on the 10th Sept 79, and on the 22d September I forwarded it in an amended form. Among the Records that can be obtained, found these dates from February 1870) the Applicant was 25 days absent on leave, 10 days on sick leave, and 12 days absent without leave, the two first coming under Casual Leave.

6. The Applicant's service under the Local Board Board and under Govt was shown to amount to 7 yrs. 10 m. 7 days, and his average pay for the last 60 months of service to Rs 18-14-8. I believe gratuity is given for every completed year of service, and if this is the case, then the appropriate for 7 yrs. 10 m. 7 d. is Rs 182-6-8.

7. This is referred to in Para 4 of the Treasury Deputy Collector's Enclosure. From February 1878 to December 1878 Applicant's salary was paid from School Fee Funds, and in January and February 1879 from General Revenues.

8. I beg to submit a copy of the Letter referred to, and another Gratuity Form, and to return the two Enclosures.
