2. With reference to the Accountant-General's report on these cases, the Government observe that, though the particular appointments held by these applicants have not been abolished, there has been a reduction in the department to which they belonged and that a very large saving* was thereby effected. In carrying out that reduction the least efficient persons were very rightly removed, and they are clearly entitled to compensation pensions even though their particular appointments were not done away with.

3. Copy of these Proceedings will be forwarded to the Government of India.

Fort St. George 25th December 1880

From
The Offg Health Officer
Madras.

To
The Secretary Surgeon General
with the Government of Madras.

Sir,

In returning the two Applications for Gratuity of T. Pasheghere Rao and Appavoo Namias late 1st Class Gomastahs in the Health Office with letter No. 244 dated 18th December 1880, from the Offg Asst Accountant General, I have the honor to inform you that though ^{there} is no real saving to Government by the abolition of these two appointments, yet there has been a great saving on the whole in the revision of Establishment. As these two men were found to be quite ignorant of English and unequal to the performance of duties that I expected of them, under the new working of the Department, I included their names among those who were to vacate offices on reduction. — (See para 9 of my letter No. 244 of 10 June 1880).

I beg the Surgeon General may be pleased in consideration of their past services to recommend these men also for gratuity, in common with those who were obliged to leave the Department on reduction.

I have the honor to be,
Sir,
Your most Obedt Servt.
J. H. Keel. S. D.
Offg Health Officer.
