No. III. 8115

Certified that we have carefully examined A. Balakrishappa Tahsildar of Mangalore Talug. His age is, by his own statement, 53 years, and by appearance about 53 years. We consider Balakrishappa to be completely and permanently incapacitated for further service of any kind in consequence of partial paralysis of the right hand, and general debility the result of this disease. His incapacity does not appear to us to have been caused by irregular or intemperate habits.

In fact from a letter addressed by

to the Secretary to the Board of Revenue
Madras dated 15th June 1872 No 700.

Balakrishna Tahsildar of Kasargode the
General Deputy for the same interim and then
to revert to his Tahsil. His ignorance of English
will preclude his being in charge of revenue.
He is a first class Magistrate already and
has so behaved himself that I am of opinion
he may well be entrusted with full powers
for this short interval though his calibre is
not such that I would recommend for a
Deputy Collector permanently. It will only
be an increase of Paper 20 a month to him.

He is a man who knows how to take an independent
stand, and has an opinion of his own. He
has done so well under peculiarly difficult
circumstances before this to my great satisfaction.
