These circumstances and taking into consideration the fact that the applicant gave up an appointment of Rs. 200 in the Public Works Department in 1897 in the Collector's Office and also that he was engaged in an appointment of Rs. 200 in the same station it would appear that he resigned his appointment in the Public Works Department in 1897 and was not employed for the period of April 1897. The Office has considered the applicant's services prior to April 1897 as entitled under the provisions of the 5th Civil Service Code. The Government has decided to decide whether the applicant is to be considered as having resigned his appointment in 1897.

* In the Public Works Department, periods of service should be verified by the Examiner, P. W. Accounts, Section 81, Rule 2. If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Head of the Office in which the Applicant states that he served during the period in doubt, Section 81, Rule 4; and if verification from this source also be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, e.g., official certificates, and the evidence of contemporary employees, Section 84, Rule 5. If the latter course be adopted the authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Section 81, Rule 6. The necessity of the applicant and evidence of contemporary employees should contain information on the following points:—

T. Coopooawmy Mudelliar has been Head Writer in this Range Office for the last eight years and has only been transferred because the Supt. Engr's Accountants have been abolished and consequently his Accountant had to come into the Head Quarters Range of the West. He bears very good characters from Captain Fischer and Mr. Porter and for the seven months that I have been in charge he has proved himself a very hardworking and respectful man, and one who understands his business thoroughly, he writes a very legible hand, he is very trustworthy.

(In the Pay abstract for December 1859 his salary was disallowed as Unpassed Candidate. From January to June 1860 he is entered as Asistant in the Pay Abstracts. About that time a Government Order was passed exempting him from Examination. This Order is not to be found amongst the Records of this office, but Cooperlawmy Mudaliar may be able to trace the same from the Records of the Examiner's office and it will throw light as to whether the service as per entry No. 4 does or does not count towards Pension. From that time forward he is entered as a Permanent Accountant of No. 1 Range).

Copy of letter from the Executive
Engineer, Bellary Division, to the Examiner
P.W. Accounts, No. 123 dated 15 May 1880.

In reply to your letter No. 14 S.E. 22
dated 15 April 1880, I have the honor
to inform you that I cannot find any
document in the records of this office showing
that V. Cooper Sawmy Mudaliar had secured a
lieu on his permanent appointment, as
Head Goomaslah in the District Engineer's
Office Bellary, during the period he was
employed as a writer in the Assistant Engi-
neer's Office, the pay of which was charged
to Estimates Vol. from 1st of May 1857 to 31st
of October 1859, neither did he actually revert
to the very appointment (Head Goomaslah).

I cannot however trace the order appointing
him as writer in the Asst. Engineer's Office
but the very fact of his salary having been
disallowed as an unpassed Candidate when
he was appointed as an Accountant in Dist.

Range

Range on the 1st of November 1859 and afterwards admitted under special orders of Government. It shows that the fact of securing him was not thought of at the time.

The order of Government is not however amongst the Records of this Office or I should be able to furnish more definite information on the subject.

The order of Government is entered in the Registers of this office as No. 1199 of 1860-61 and was communicated to the late Bellary District Engineer with a extract from Chief Engineer's Proceedings No. 3872, dated 17th August 1860, the date of Government order is not however given in the Register, but it appears to be between the 20th July and 17th August 1860.

If this order can be found amongst the records of your office, I hope it will give some information for coming to a

Conclusion as to whether or not he has secured a line.
