Sub 24/9/80

With reference to your reply to para.
18 of this Office letter No. *ADK* dated
548
the 21st September 1880, I have the honor
to point out that Column 3 on the 2^d page
of the application should always re-
present the Pay and not salary. (Vide
definition (e) Section 2 of the Civil Pension
Code) of the Applicant's substantive ap-
pointment. It is apparent from the
entries in Seshagiri Rao's Service Book
that, while acting in the several ap-
pointments to which he was appointed
during the last 5 years of his service,
he retained his on, and counted ser-
vice for, Pension, in his own substantive
appointment, the pay of which was
less than that of the Acting Appointment.

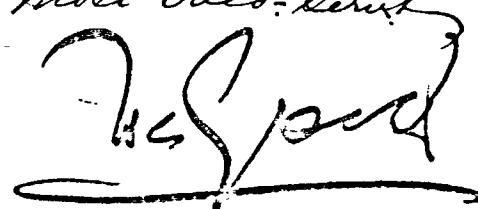

Sf

If no one retained a lien on the acting appointment, it should be explained why the applicant was not appointed to it substantively, but only sub. proteus.

The appointment of an Officer to a post substantive protempore entitles him simply to the full pay of the Acting Appointment, but does not confer on him any other special privileges such as that of counting for a higher rate of pension (vide recent addition to Section 6 of the Acting Allowance Code). -

2 Under these circumstances, I return herewith the Application and the Service Book in view to the entries in them, in respect of Pay and Acting Allowance being so revised as to be inconsistent with the principle above specified. Should you still adhere to your former opinion, I should be obliged if you would state clearly & fully the grounds on which it rests, so that the whole question may be submitted to Government for final orders.

to the explanation called for

he

he told me to state that although
 the Government post in the
 Supervisor's Office Establishment
 in which the man acted between
 1st July 1876 and 31 December 1879
 were permanently vacant he
 could not be confirmed in
 them as no nominations had been
 received from the Director stating
 that those posts should not
 be filled up permanently &
 it was only on the 10th of January
 of 20 Supervisor's Office Estt
 referring on the 1st of January last
 that the Hon. Secy. was transferred
 to that permanent post. I find
 that a mistake was made
 in entering him as having been
 confirmed retrospectively from
 19th August 1879. This has now
 been altered and I submit a fresh
 statement showing the different
 posts

rates of pay drawn by the
 man during the last 5 years

FROM THE ACCOUNTANT GENERAL
TO THE GOVERNMENT OF MADRAS,

To THE Officer in charge of
Revenue Settlement Department,
Madras.

SIR,
With reference to the Application for
Pension on behalf of G. Vasanta Rao late Head
Gumustah, Revenue Settlement, Ganjam Party,
submitted to this Office with your Endorsement
No. 2551₄₀ dated the 11th October 1880 I have the
honor to enquire whether or not the applicant was
engaged in the Inam Commission Department from
24th August 1859 to 21st February 1861 on the under-
standing that his appointment would be only
temporary or that he would be liable to be discharged
after a short period of service. Any document that
may be forthcoming in the records of the Inam
Commission Department to prove the existence
of this understanding should be forwarded.

The Certificate granted by the Deputy Col-
lector, Rajagopalachari, on the 21st February 1861 and
recorded in the Service Book attributes the cause
of the applicant's removal from the Inam Estab-
lishment to his ignorance of the language of Tamil,
a cause equivalent to removal on account of in-
efficiency and as such granting that the applicant
was considered as a permanent servant the

removal

removal would entail forfeiture of past services
Vide section 7 of the Civil Pension Code.

By rejecting the above period of service, as
non-qualifying, the total period of the applicant's
qualifying service will amount to less than 15
years entitling him only to a gratuity instead
of Pension, as proposed. I request therefore that
all possible endeavours may be made to ascertain
the status of the applicant during the period
of his employment in the Indian Commission
Department.

From, The Indian Commissioner

To, The Director of Revenue Settlements

Sir; In reply to your letter dated
16 November 88 No 2807 on account of
General's letter, I have the honor to state
that all persons entered in the Indian
Commission were employed on the land
standing. That the period of their
employment in the Commission would
count as service in calculating claims
to Pension - Vide Para 11 of the Indian
Commissioner's letter embodied in
dated 14 June 1889 No 784.

2 I do not think that the
discontinuance of the services of
G. Vasanta Rao amounts to removal
for inefficiency. The Indian Com.
changed its establishment
from time to time with reference
to the qualifications of the individuals

for the particular work required
 of them - and I think that Vasanta
 Rao should be considered to have
 lost his employment in consequence
 of the reduction of establishment.
